**The rise of Weixin: China's social networking leader; Buy****Source of opportunity**

Weixin is fundamentally altering users' communication experience on smart devices. Since its launch in Jan 2011, Weixin has established itself as China's leading mobile communication and private social networking app, providing rich media features from simple messaging to multi-user hold-to-talk to 300mn registered users. While we do not expect Tencent to meaningfully monetize Weixin in 2013E, we believe the product has become a significant component of Tencent's investment thesis, and hence incorporate its financial projection into our estimates, referencing global internet trends. Our estimates imply a HK\$30/share valuation for Weixin.

**Catalyst**

We reiterate our Buy rating and expect monetization to potentially be realized in three areas: **(a) Advertising.** Weixin's social network model leads to a virtuous cycle of reinforcing engagement that creates traffic inventory. **(b) Mobile gaming** has proven its revenue potential globally. We model Weixin's offerings after NHN's LINE, and expect Weixin to generate in-app revenues from micro-transactions of virtual items. **(c) While mobile commerce** remains at an early stage, we see optionality value considering the power of QR code enabling online-to-offline (O2O) services.

**Valuation**

We raise our 12-m target price to HK\$305 from HK\$280, based on 1.0X PEG (22X 2014E EPS off 22% 2014E-17E CAGR; previously based on 2013E-16E CAGR). We lower our 2013E/14E EPS by 4%/6% to incorporate near-term investment needed to secure Tencent's dominance in China's social networking space.

**Key risks**

Weaker-than-expected desktop gaming, near-term margin weakness from e-commerce investments, regulatory risks with Weixin.

### **Goldman Sachs Trading Training Manual Introduction**

In today's digital age, the availability of Goldman Sachs Trading Training Manual books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Goldman Sachs Trading Training Manual books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Goldman Sachs Trading Training Manual books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Goldman Sachs Trading Training Manual versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Goldman Sachs Trading Training Manual books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Goldman Sachs Trading Training Manual books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Goldman Sachs Trading Training Manual books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT

OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Goldman Sachs Trading Training Manual books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Goldman Sachs Trading Training Manual books and manuals for download and embark on your journey of knowledge?
