

420/457 I.B.E.W. Charity Golf Tournament

Dear Sponsor:

On Friday July 12, 2013, the International Brotherhood of Electrical Workers will be holding the **I.B.E.W. Charity Golf Tournament** at the Pequabuck Golf Club of Bristol (Connecticut). With your help and we will be able to raise a generous amount of money for the children at Connecticut Children's Medical Center.

You can help in the cause by sponsoring a tee. We have created a variety of sponsorship levels for you to choose from. Please consider making a gift today in support of the special care and needs of sick children. All proceeds from the sponsorship will directly benefit the children of Connecticut Children's Medical Center.

If you are unable to provide support through a monetary donation, items for a silent auction/raffle would be greatly appreciated and beneficial to the success of this event.

Below is the list of sponsorships available (circle your selection):

The Politics of Foster Care Administration in the United States Rebecca H. Padot,2014-10-10 Government by proxy and intergovernmental relations profoundly affect the public administration of foster care Using examples from foster care systems in the states of Delaware Michigan New York and Rhode Island Rebecca Padot eloquently combines a rigorous methodology and theory work to expose

the conditions under which foster care outcomes can be improved The cases selected suggest that the federal government has increased its focus on measuring the performance of state programs while simultaneously decreasing its funding of state foster care programs and offering the states very little management or mentorship Padot turns the page and recommends administrators place a greater priority on building community partners integrating the advice of mentors providing leadership from public managers and cultivating relationships with the federal government An original and timely resource for scholars and practitioners this book represents a significant contribution to our understanding of how leadership and management variables may be associated with more positive foster care practices and performance in the United States
