Focus On: 100 Most Popular Station Wagons Wikipedia contributors, **Focus On: 100 Most Popular Compact Cars** Wikipedia contributors, *Economic Development of Caricom* Winston H. Griffith, 2021-10-12 It has been suggested that if CARICOM nations wish to accelerate their development they should embrace laissez faire economic policies However laissez faire economic policies have reinforced the very economic and social structures that have contributed to their low level of development furthermore laissez faire economic policies ignore social attitudes that can greatly influence a nation s development Moreover low skilled labor intensive production processes which once propelled growth in CARICOM nations will no longer perform a similar role because production processes are becoming more and more knowledge skills intensive and nations wishing to attract foreign manufacturing investment or high tech services may not be able to do so without an adequate pool of the necessary knowledge skills CARICOM nations must therefore try to accumulate a pool of knowledge skills that can help their economies become internationally competitive
