Supplements and Alternative Medicines brings you the benefit of Dr Davis's extensive knowledge about physicians, the pharmaceutical industry and research in pharmacology and toxicology in order to shatter misconceptions about supplements and the supplement industry. The book's no nonsense discussion about this much hyped industry is even handed and straightforward and provides clear headed advice every consumer of supplements needs. The guide explores various supplements interactions with prescription drugs, the placebo effect as a factor for beneficial claims, historical instances of supplements that have proved hazardous to consumers and receiving directions for supplement use from an unconventional medical healthcare practitioner. It clearly explains the potentials of supplements through the use of illustrative clinical case studies from medical literature in simplified easy to understand language. This extensive source is comprehensively referenced and includes tables of supplements with their possible benefits and hazards.

The Consumer's Guide to Dietary Supplements and Alternative Medicines exposes the truth about therapeutic fundamentals of supplements, why there is strong resistance to supplements as unconventional remedies by physicians, the pharmaceutical industry's perspective on supplements, six major myths about dietary supplements, liver support remedies, soy formulations, cancer cures, the fountain of youth, actions of hormonal and antioxidant products, vitamins, minerals, amino acids and enzymes, new biochemicals such as alpha lipoic acid and choline derivatives, carotenoids, anthocyanins and flavonoids, aloe vera, the unappreciated pharmacology of ascorbate, historical instances in which consumers have avoided catastrophe, the future of the supplement field, much much more. The Consumer's Guide to Dietary Supplements and Alternative Medicines may be the best available resource of important information for every concerned health conscious consumer considering dietary supplements of any kind.

The Consumer's Guide to Probiotics S. K. Dash, 2004-06. Many doctors say that a quality probiotic supplement is as important to your health as a multi vitamin. This book talks about Probiotics, beneficial bacteria which maintain the intestinal microflora balance, inhibit the growth of harmful bacteria, promote good digestion, boost immune function and help us maintain healthy cholesterol levels.

A Consumer's Guide to Male Hustlers Joseph Itiel, 2014-02-25. A Consumer's Guide to Male Hustlers gives you exciting insight into all you ever wanted to know about hustlers but were too embarrassed to ask. You'll find answers to questions such as where and how to find hustlers, how much to pay them and how to make it an experience that is satisfying to both parties. Author Joseph Itiel shares with readers his personal experiences and observations describing his dealings with hustlers over a period of about 35 years in many different countries. Throughout A Consumer's Guide to Male Hustlers, Itiel narrates personal anecdotes lending an intimate dimension to his general observations. He describes the hustler scene in the United States and abroad, dispelling many erroneous notions about hustlers by addressing such topics as under what circumstances sex for money arrangements are exploitative, a comparison of male hustlers and female prostitutes, emotional involvement and control between clients and hustlers, the notion that hustlers are only for the wealthy, whether or not hustlers are likely carriers of sexually transmitted diseases, whether or not it is dangerous to pick up hustlers, why

hustlers hustle the differences between street hustlers models or escorts and masseurs legal issues associated with hustling regular sessions with hustlers as an emotional and libidinal sedative It is the contention of the author that hustlers are an under used resource in the gay community especially valuable to those with a vigorous sex appetite but no steady partner This opportunity is often shunned because potential clients feel guilty about hiring hustlers The author hopes that by reading this book you will come to understand that the hustler experience meeting with hustlers regularly can be mutually exciting and satisfying for both parties Consumer's Guide to Fighting Back Morris J. contracting HIV This information could prove valuable to developing preventions and interventions for similar populations in countries all over the world In *From Toads to Queens* transvestites in the sex trade and their customers share fascinating personal accounts from their daily lives including details of their sexual encounters Specifically you will gain insight into sexual practices pay rates in the sex trade types of lovers and sexual partners locations of work conceptions of fashion and beauty among transvestites relations between transvestites the police and gay bashers clients who are heterosexual men drug consumption and unsafe sex From this book you will gain a comprehensive analysis of Latin transvestites how this population questions assumptions about sexual orientation and practice and how they are affected by the HIV AIDS epidemic Most importantly *From Toads to Queens* documents boundary crossing individuals existence and subverts the simplistic division of people into traditional psychiatric categories a crucial first step in devising ways to decrease the rates of HIV infection among specific populations

Military Trade Steven Zeeland, 2019-07-18 A same sex attraction for soldiers and sailors spans the globe and predates the term homosexual by several thousand years But these days military chasers are likely to be seen as doubly incorrect Most are gay men who pursue straight men And many of them do it in public What continues to motivate so many men to brave arrest violence and the scorn of gay leaders who condemn any non gay homosexual desire as internalized homophobia In *Military Trade* now updated to include an expanded photo insert Steven Zeeland author of *Sailors and Sexual Identity* *The Masculine Marine* and *Barrack Buddies* and *Soldier Lovers* brings together an edgy enlightening and richly entertaining collection of voices with a passion for servicemen including a TV talk show host who pimped Marines to Hollywood stars a heavy metal superstar who dreams of being reincarnated as a Marine boot a woman trapped in a gay man's body who seduces Marines online then dominates them in person with strap on dildos a former Force Recon Marine who complains of being chased by civilians but is now a Marine chaser himself By turns steamy hilarious appalling and deeply moving *Military Trade* challenges assumptions about both chaser and chased and poses pointed questions about the wisdom of those who seek to divide the world into straight and gay The interviews and essays collected in this book suggest that paradoxically for many men the advances of the gay rights movement have actually made it more difficult to form affectional bonds with other men Gay sex has never been more openly advertised But the military love of comrades is something that gay life can't offer *Military Trade* offers groundbreaking insight into the difference between military chasers and uniform fetishists why gay men prefer sailors and Marines over soldiers and airmen the surprising range of sexual buddy and even love relationships chasers form with servicemen the nuances of trade and civil military male prostitution what has been overlooked in the sex panic debate about men who have sex in public places For anyone interested in queer theory the construction of masculinity or sex between men outside of gay urban culture and for anyone who has ever thrilled at the sight of a man in uniform *Military Trade* is must reading
