

Good-Bye Letter

Dear Parents,

It was a great pleasure to have your little ones in my classroom this year. We learned so many things. Your children are proud because they finally know how to read and write.

This year is over, so now I return your children to you, the same children that you entrusted to my care last fall. I return them with a few more pounds, a few inches taller, and months wiser, more responsible, and more mature than back then.

Even though they would have grown without my help, it has been a pleasure and a privilege to see their personalities grow day by day and see how they have developed in their learning.

We have laughed, played, studied, learned and enriched our lives during the year. Take care of your children, for they are so precious.

Remember that I will always have great interest in your children and their destinies, wherever they may go, whatever they do and whoever they become.

Sincerely,

Goodbye Letter To First Graders

Ellsworth, Ann M.

Dear Mom and Dad: A Letter About Family, Memory, and the America We Once Knew Patti Davis, 2024-02-06 A remarkably poignant writer for our troubled times Patti Davis writes about love loss and the power of redemption in this poetic letter to her long gone parents Written with dignity and grace in the form of a letter to her parents Ronald and Nancy Reagan *Dear Mom and Dad* is that surprisingly poignant work that succeeds not only as a memoir but as a moving account that will inspire readers to recall their own childhoods in a totally new light Eager to retell the narrative of her own family and her coming of age Patti Davis casts aside misperceptions that defined her in the past Far from being the enfant terrible *Dear Mom and Dad* reveals young Patti as a sensitive child who was not able to be the public person her family demanded Just as she re examines her own role in an increasingly dysfunctional family drama Davis casts an empathetic yet honest eye on her parents on her father the eternal lifeguard who saved seventy seven people yet failed to create a coherent AIDS policy and her mother who never escaped her own tortured youth What comes across are Davis s burnished skills as a writer something she always dreamed of becoming Even as she unravels her mother s highly edited persona and her father s loving

but distant personality Davis remains steadfast in her artistic expression as she melds irony comedy and tragedy with dreamlike memories of an ever present past Dear Mom and Dad with its account of her father s Alzheimer s and her mother s end of life struggles becomes an account of forgiveness reaching levels of redemption rarely found in contemporary memoirs

north Toronto is more than just a trip down memory lane it s also a visit to a crime scene No sooner has Shoe arrived in his old neighbourhood than he discovers that police are investigating a murder in the ravine near his home And the murder victim is a man who lived in the neighbourhood 35 years earlier and who moved away while still a suspect in a series of rapes that occurred in the very ravine in which he was ultimately murdered The police investigation and Shoe s own inquiries becomes intensely personal as old friends girlfriends and even family members seem to have a connection to the murder victim and reasons to want him dead Compelling deeply emotional and at times even disturbing The Dells is an accomplished novel by one of Canada s rising stars of crime fiction The Young Prince and His Fate Jessica Wheeler,2022-10-26 The Young Prince and His Fate Trapped in Time By Jessica Wheeler This book continues the story of Ranvir who is now married and with a child on the way A tragic event makes him want to travel back in time He ends up being trapped in time in a whole different world of what could ve been His journey is to get back to his own world before it s too late What makes the

story interesting is seeing Ranvir s journey of trying to get back He s still learning that actions come with consequences We finally see him start to realize that when he knows that he could possibly lose everything What makes the message relevant is to not let fear get in the way of anything and everyone has it good until it s gone This is a lesson that Ranvir has to learn What makes this book unique is that it s inspired by the authors life in some ways To say anymore would be a spoiler all the authors ideas for the sequel were based off events that happened to her except the part of going back in time One thing the author wants the readers to gain out of the story is to cherish every moment with your loved ones as tomorrow is never promised
