of one man's fight to protect the woman he loves MY SHAHZADI Irfan Fazli, 2024-10-15 This is a novel on how a wife becomes an obsession for her husband despite the fact that she was not his first love and his marriage was a forced marriage. It is a story that love may surrender itself to family pressures but the guilt from abandoning his first love remains hidden in the crypt of his soul to inflict emotional pain from time to time. This novel is about the powerful force of friendship between two women from two different sects and yet under the family pressures it crumples but the pain from forsaking a friend remains hidden in the crypt of her soul. It's the story of a woman abandoned by her biological parents, brought up by adopted abusive parents, betrayed by her best friend, betrayed by her first love, and forced to marry a person she didn't like. This novel is about how fate can destroy an innocent life and destroys it beyond any redemption. It's a touching story of a relationship between a mother and her adopted daughter, proving feelings are a much more powerful force than the blood ties. Because of the powerful capture of emotions, this novel will bring tears to flow from reading of it. *South India, the Rough Guide*, 2007 **The Royal Scandal** Rashima Swarup Verma, 2022-11-15 1798 Hyderabad India Lieutenant Colonel James Achilles Kirkpatrick is the recently appointed British Resident. When he first meets Khair-un-Nissa, a beautiful Indian noblewoman, love inevitably blossoms. It soon becomes clear to James and Khair that the road they have chosen is strewn with painful conflicts around his religion, her honour, their identities, and even their survival. With time, they are shunned by two severe societies, used and discarded as mere pawns in the ruthless battles of pride and honour, and ultimately exploited as a means to settle personal scores of those in power. How much will they have to stake for the sake of love? How far will they be compelled to go? What is the price they pay for love? Set amidst majestic palaces, regal forts, fragrant gardens, and a paradigm shift in power among the highest thrones of command, *The Royal Scandal* is a love story that dared to defy and forever changed the power dynamics in British India. The book highlights the spirit of a young nineteen-year-old Indian noblewoman who broke through the barriers of religion for her love and the resolve of a much older British officer who put at stake his entire career to let his love blossom. In this bittersweet story, you will get a glimpse of the politics that changed the way India grew in the era, as also the personal vendettas of people in power, a marvellous work on how politics impacts the love story of a British Resident and a Hyderabad noblewoman, meticulously researched narrative with a simple style.
