**Journey of the Star Children Through Time** Sonja Christiansen KRMT,Ed Webber RMT,2022-02-03 Author Sonja A Christiansen was born in Frankfurt Germany just after World War II After coming to the United States as a child and growing up in Montville Maine she understood she had abilities that were different from others She could handle wild animals for example picking up wild raccoons and moving them out of the cellar or feeding wild bears by hand Author Harvard Ed Webber was also born right after the war in the small town of Rumford Maine As fate would have it he also found he had unusual gifts for healing and flight His first experience in the world of spirit was spontaneously leaving his body when he was in danger or extremely stressed Who would have ever guessed that these two would meet fall in love be separated by others and nearly fifty years later find each other again By that time both had many life experiences and had studied with many teachers who showed them how to use these abilities for good They both learned early how to leave their bodies at will and experience a whole new world This personal narrative tells the story of two children who believed they came from the stars and then built amazing lives together while exploring time travel clairvoyance and healing energy

**Sonnets Across Time** StoryBuddiesPlay,2024-06-09 In the neon drenched year 2180

Amara a brilliant linguist stumbles upon a dusty artifact an ancient manuscript As she deciphers its cryptic code she discovers it s not just a text but a bridge across time Through the power of the manuscript Amara finds herself connected to Elias a passionate poet from the 1700s Their initial exchanges crackle with wonder Amara describes a world of gleaming chrome and dazzling technology while Elias paints vivid pictures of a bygone era filled with horse drawn carriages and candlelit soir es Their letters filled with wit and curiosity blossom into a unique and profound bond Despite the centuries separating them Amara and Elias find solace in each other s words Amara shares the loneliness of a world dominated by technology while Elias expresses his longing for a world brimming with the beauty and rawness of nature a concept almost forgotten in Amara s time As their connection deepens a forbidden romance ignites They navigate the vast cultural and temporal gaps sharing dreams and aspirations across the centuries The manuscript becomes their lifeline a portal where their souls meet and their love flourishes But their connection is fraught with challenges The technology that allows them to communicate is unstable and the threat of the link severing looms large Can their love transcend the boundaries of time or will their connection fade into a mere whisper of what could have been     *The Time Machine* Herbert George

Wells,2003-07-30 While testing his new invention a man is transported over 800 000 years into the future     **IN MY BEGINNING** LEWIS E. BIRDSEYE,2014-05-12 From the opening tale of this volume of novellas and short stories to its final work the reader is given adventure tragedy and humor that tell us in effect that their origin can be found not only in the shaping imagination of the author but in events experienced by everyone in their own lives From the tragic murder of a young man the narrator had come to admire to love experienced in a wholly unconscious way and the cruel manipulation of the narrator himself that leads him to commit a terrible crime he will never have to admit or make reparations for the reader is permitted to participate in events far from his or her own life events nevertheless which either echo or adumbrate what lurks in our own past or future Each tale takes us to an intriguing location a wild and scenic river somewhere in the still primitive wilderness of the South a long forgotten age of radical innocence no longer possible or perhaps even imaginable in today s so wise so jaded world the laboratory of a scientist whose powerful mind moves with a degree of precision and speed that invites and causes catastrophe the simple soul of an endearing man whose sensitivity drives him to actions few of us would ever consider the mind of a man so deformed by self satisfied egotism that he cannot see beyond the physical deformity of a man maimed but somehow ennobled by terrible war injuries the impossible but beautifully innocent yearning of a boy for imagined perfection **IN MY BEGINNING** shows the force of imagination that has given to its owner as imagination does to all of us a vision one we can shape and reshape exclusively for ourselves     **Journey Through Darkness** Abbey DiGiando,2006-07 Follow DiGiando on her journey through the diagnosis treatment and recovery of her personal battle with depression There are days when I do not even get out of bed until 5 00pm or 6 00pm and I will return to bed after I eat dinner maybe an hour or two later When I have days like this I truly feel that my dreams are better than

anything that I could be faced with in reality When I am asleep and dreaming I have a chance to escape my own reality I could equate it with having some kind of terrible physical pain and knowing a way to make it go away instantly only to know that as soon as I stop doing whatever it was I was doing to stop the pain the pain is going to come back just as strong if not stronger My mental state equates the pain and sleep is how I know that I can make it go away from Journey Through Darkness
