Section A—Reading Test (Seen passage)

Read the text carefully and answer the questions 1, 2 and 3:—

Nakshi Kantha is a kind of embroidered quilt. The name was taken from the Bengali word, 'naksha' which means artistic pattern. It is a kind of traditional craft and is said to be indigenous to Bangladesh and West Bengal in India. The art has been practised in rural Bengal for centuries. The name 'Nakshi Kantha' became popular after the poet Jasimuddin's poem 'Nakshi Kanthar Math' was published in 1929.

Traditional Kanthas are made for family use. Old or new cloth and thread are used to make these quilts. Mymensingh, Jamalpur, Rajshahi, Faridpur, Bogra and Jessore are most famous for this craft. Now, it is produced commercially. You can find them in many expensive handicraft shops in cities. The quilts are now in great demand because of the colourful patterns and designs embroidered on them.

Fraud and Risk in Commercial Law Paul S Davies,Hans Tjio,2024-08-08 This book focuses on contemporary problems

related to fraud and risk in commercial law It has been said by some that we are in a golden age of fraud In part this has been caused by globalisation technological changes and the financialisation of business This has resulted in the creation of automated linkages with integrated supply chains and the creation of systemic risks which have been exacerbated by new forms of intangible assets like tokens and their ease of movement While regulation has ebbed and flowed given the desire of governments to generate economic growth as well as the distrust of their coercive powers the courts have sought to strike a balance between considerations such as commercial certainty and fairness The book provides an analysis of key contemporary issues on the theme of fraud and risk in commercial law including technology and fraud secondary liability and failure to prevent economic crime abuse of business entities insolvency and creditor protection injunctions and other orders cross border issues the relationship between regulation and private law and solutions for policy makers *The Common Law Jurisprudence of the Conflict of Laws* Sarah McKibbin, Anthony Kennedy, 2023-05-04 This book presents a collection of leading common law cases in private international law ranging from the 18th to the 21st century The cases traverse issues of jurisdiction choice of law and the recognition and enforcement of foreign judgments Questions of marital validity domicile foreign immovable property and choice of law in contract are just some of the topics that this collection examines The unusual factual situations of some 18th and 19th century English cases also reveal compelling human interest stories and political controversies worthy of further exploration Drawing on a diverse team of contributors this edited collection showcases the research of eminent conflicts scholars together with emerging scholars from the United Kingdom Australia Canada Ireland and South Africa **Merkin and Flannery on the Arbitration Act 1996** Robert Merkin, Louis Flannery QC, 2019-11-21 This book is an essential resource for anybody involved in arbitration It is an updated section by section commentary on the Arbitration Act 1996 split into a separate set of notes for each section and subdivided into the relevant issues within that section It contains elements of international comparative law citing authorities from many other common law and civil law jurisdictions Beyond the development of law since the last edition this sixth edition contains new practical features to aid the reader Each section now has a new contents table with each separate topic set out clearly and in a logical order which acts as reminder for the reader Further each separate topic now has a specific individual reference and the topics are grouped in a more systematic and logical way within each section to improve readability The book is primarily aimed at practitioners of arbitration both in the UK and abroad including solicitors barristers arbitrators and judges who are involved in the practice of arbitration whether domestic or international It is also aimed at UK and international students of international arbitration especially in relation to the sections with comparative legal analysis and comprehensive discussions on the interaction between the Arbitration Act 1996 and institutional arbitration rules Erratum The authors regret that the new version of the LCIA Rules will not now be published or be applicable until early 2020 due to unexpected circumstances It is understood that those Articles referred to in the text as the 2019 Rules will remain unchanged albeit that the Rules when

in force should be and will be cited as the 2020 LCIA Rules The authors accept responsibility for and apologise for this error

Internet Jurisdiction Law and Practice Julia Hörnle, 2021-01-07 From a technological standpoint geography is largely irrelevant Data flows through the internet without regard for political borders or territories Services communication and interaction can occur online between persons who may be in different countries Illegal activities like hacking cyberespionage propagating terrorist propaganda defamation revenge porn and illegal marketplaces may all be remotely targeted and accessed from various countries As such the internet has created an interesting and complex set of challenges for the concept of jurisdiction and conflicts of law This title takes a comparative approach covering the EU UK US Germany and China Broken into four parts this book delves into the notion of jurisdiction as it relates to the internet Part I focuses on the different meanings of the concept of jurisdiction from a legal and historical perspective and distinguishing between the different branches of government It will highlight the challenges created by the internet including social media and cloud computing Part II analyses criminal jurisdiction in regards to both jurisdictions in cybercrime cases and jurisdictional issues relating to criminal investigations access to the cloud and enforcement Part III examines jurisdiction and applicable law in civil and commercial matters such as e commerce B2B and B2C contracts torts typically occurring online and online defamation and privacy infringement Finally Part IV looks at regulatory jurisdiction examining the power of the executive whether an arm of government or independent regulator to apply and enforce national law It will look at aspects like the provision of online audio visual media services and online gambling services both of which are heavily regulated but which can be easily provided remotely from different jurisdictions The book concludes by analysing how the concept of jurisdiction should be adapted to ensure the rule of law by nation states and prevent international conflicts between states This title gives a comprehensive look at the complicated subject of internet jurisdiction essential for all dealing with jurisdictions in the modern age
