Peter and Jude Dietrich Gruen,Navigators (Religious organization),1997 LIFECHANGE Bible studies allow the Bible to speak for itself You ll see for yourself what it says not what someone else thinks it says and develop the skills and desire to dig even deeper into God s Word **Gladiator Sparticus** Yusun Yohance Beck,2019-10-22 A fictional character is created as an example and he is meant to demonstrate a man that runs away from his calling only to find that his chief purpose in life was to fulfill his calling serving the Maker and trusting Him always An immortal from 480 BC is resurrected by the Creator after an arrow pierces his heart His job is to fight against the Prince of the Air and the principalities disguised as the mythological gods the shadow forces portrayers of light and criminals This historical fiction travels through 480 BC to 800 AD His powers are not his own for they are gifted from the Creator and they will be dulled if he refuses or turns away yet the Creator knows that he is going to make the right decision all along Sparticus meets many including Leonidas Alcibiades heroes Alexander

the Great Spartacus and Julius Caesar During this compelling story he loses his wife his children are scattered and his nation is torn apart Afterward he runs from his mission for so long that he finally decides that there is no running from a deity that created him the world and the entire universe Escaping an omnipresent omniscient and omnipotent being proves to be impossible Hence a turning point was the capture in Rome where he witnessed much and had seen one event that illuminated his mind thus he submits to the grand authority to take up the cost and faces off with his predetermined path around 800 AD taking on his first villain At the end of the day this is a Christian hero dealing with adult issues An imperfect man is saved by that same omnipotent deity undergoing a process where he struggles with his own selfishness before fully accepting the cost of the Great Commission *NKJV, Know The Word Study Bible, Red Letter* Thomas Nelson, 2016-10-18

Second Peter is full of christological language Scholars have often overlooked the christological richness as they have focused heavily on the issues of eschatology and authorship The uniqueness of the Son from the Father as well as the divinity of Jesus are at the forefront of the short epistle Further Ernst Kasemann famously criticized 2 Peter for being void of Christology and the cross and thus the gospel The author analyzes the Christology of 2 Peter particularly as it relates to the Petrine view of the divinity of Jesus and the distinctness and uniqueness of the Son from the Father This study examines the christological depth in these key areas as a response to critics like Kasemann Kasemann first looked into the eschatological arguments of 2 Peter and claimed he was not able to find any christological orientation The student of 2 Peter must not look through eschatology to see the rich Christology which fills the verses of the epistle However when the reader examines the christological language and themes within 2 Peter he/she is faced with a beautiful portrayal of Jesus and the Father **NKJV Study Bible** Thomas Nelson, 2014-10-28
