

MARK SCHEME for the May/June 2013 series

1123 ENGLISH LANGUAGE

1123/21

Paper 2 (Reading), maximum raw mark 50

This mark scheme is published as an aid to teachers and candidates, to indicate the requirements of the examination. It shows the basis on which Examiners were instructed to award marks. It does not indicate the details of the discussions that took place at an Examiners' meeting before marking began, which would have considered the acceptability of alternative answers.

Mark schemes should be read in conjunction with the question paper and the Principal Examiner Report for Teachers.

Cambridge will not enter into discussions about these mark schemes.

Cambridge is publishing the mark schemes for the May/June 2013 series for most IGCSE, GCE Advanced Level and Advanced Subsidiary Level components and some Ordinary Level components.

The Art of the English Trade Gun in North America Nathan E. Bender, 2018-07-02 Symbolic ornamentation inspired by ancient Greek and Roman art is a long standing Western tradition The author explores the designs of 18th century English gunsmiths who engraved classical ornamental patterns on firearms gifted or traded to American Indians A system of allegory is found that symbolized the Americas of the New World in general and that enshrined the American Indian peoples as noble savages The same allegorical context was drawn upon for symbols of national liberty in the early American republic

Inadvertently many of the symbolic designs used on the trade guns strongly resonated with several Native American spiritual traditions

The War Report Annyssa Bellal,2015-12-10 This War Report provides detailed information on every armed conflict which took place during 2014 offering an unprecedented overview of the nature range and impact of these conflicts and the legal issues they created In Part I the Report describes its criteria for the identification and classification of armed conflicts under international law and the legal consequences that flow from this classification It sets out a list of armed conflicts in 2014 categorising each as international non international or a military occupation with estimates of civilian and military casualties In Part II each of these conflicts are examined in more detail with an overview of the belligerents means and methods of warfare the applicable treaties and rules and any prosecutions for investigations into or robust allegations of war crimes Part III of the Report provides detailed thematic analysis of key legal developments which arose in the context of these conflicts allowing for a more in depth reflection on cross cutting questions and controversies The Report gives a full and accessible overview of armed conflicts in 2014 It should be the first port of call for everyone working in the field

Language and Power in Blogs Brook Bolander,2013-12-15 Language and Power in Blogs systematically analyses the discursive practices of bloggers and their readers in eight English language personal diary blogs The main focus is thereby placed on ties between these practices and power The book demonstrates that the exercise of power in this mode can be studied via the analysis of conversational control turn taking speakership and topic control coupled with research on agreements and disagreements In this vein it reveals that control of the floor is strongly tied not solely to rates of participation but more strikingly to the types of contributions interlocutors make With its detailed linguistic analyses and comprehensive theoretical and methodological treatment of language use and power the book is interesting for researchers and students working within the domains of pragmatics discourse analysis text linguistics and corpus linguistics in both offline and online settings

Getting By Helen Hershkoff,Stephen Loffredo,2019-10-29 Getting By offers an integrated critical account of the programs rights and legal protections that most directly affect poor and low income people in the United States Insufficient popular understanding about programs and legal protections has contributed to a widening gap between paper rights that exist on the books and actual benefits that people can enforce on the ground A central goal of this volume is to empower individuals groups and communities to bridge this gap and in doing so to bridge gaps among those who are locked out of the American dream

India and South Africa Javed Majeed,Isabel Hofmeyr,2017-10-02 South Africa and India constitute two key nodes in the global south and have inspired new modes of non Western transnational history Themes include anti imperial movements Gandhian ideas comparisons of race and caste Afro Asian ideals Indian Ocean public spheres This volume extends these debates into the cultural and linguistic terrain The book combines the methods of Indian Ocean studies and Comparative Cultural Studies both committed to moving beyond the nation state Case studies explore classics and concomitant ideas of civilisation colonial linguistics and the history of languages and theatre

Topics include the use of classics by colonisers and the colonised in British India and South Africa differences between South African Indian English and Indian English how the Linguistic Survey of India conflicted with colonial and nationalist mappings of India and its references to African languages the rise of Hinglish in contemporary India a South African play dealing with African Indian interactions This book was published as a special issue of African Studies *Referring in a Second Language* Jonathon Ryan, Peter Crosthwaite, 2020-03-19 The introduction and tracking of reference to people or individuals known as referential movement is a central feature of coherence and accounts for about every third word of discourse Located at the intersection of pragmatics and grammar reference is now proving a rich and enduring source of insight into second language development The challenge for second language L2 learners involves navigating the selection and positioning of reference in the target language continually shifting and balancing the referential means used to maintain coherence while remaining acutely sensitive to the discourse and social context The present volume focuses on how L2 learners meet that challenge bringing together both eminent and up and coming researchers in the field of L2 acquisition The chapters address a range of problems in second language acquisition SLA e.g. form function mapping first language L1 influence developmental trajectories and do so in relation to various theoretical approaches to reference e.g. Accessibility Theory Givenness Hierarchy The global outlook of these studies relates to the L2 acquisition of English French Japanese Korean and Spanish and covers a diverse range of situational contexts including heritage language learning English as a medium of instruction and the development of sociolinguistic competence **The Scientist's Guide to Writing** Stephen B. Heard, 2016-04-12 A concise and accessible primer on the scientific writer's craft The ability to write clearly is critical to any scientific career The Scientist's Guide to Writing provides practical advice to help scientists become more effective writers so that their ideas have the greatest possible impact Drawing on his own experience as a scientist graduate adviser and editor Stephen Heard emphasizes that the goal of all scientific writing should be absolute clarity that good writing takes deliberate practice and that what many scientists need are not long lists of prescriptive rules but rather direct engagement with their behaviors and attitudes when they write He combines advice on such topics as how to generate and maintain writing momentum with practical tips on structuring a scientific paper revising a first draft handling citations responding to peer reviews managing coauthorships and more In an accessible informal tone The Scientist's Guide to Writing explains essential techniques that students postdoctoral researchers and early career scientists need to write more clearly efficiently and easily Emphasizes writing as a process not just a product Encourages habits that improve motivation and productivity Explains the structure of the scientific paper and the function of each part Provides detailed guidance on submission review revision and publication Addresses issues related to coauthorship English as a second language and more **Strategies for Second Language Listening** Suzanne Graham, Denise Santos, 2015-10-05 This book seeks to help teachers teach listening in a more principled way by presenting what is known from research exploring teachers' beliefs and practices examining textbook
