

LAST CHANCE TO SEE

Douglas Adams &
Mark Carwardine

Last Chance To See

Kat Martin

Last Chance To See:

Last Chance to See Douglas Adams, Mark Carwardine, 2011-09-21 New York Times bestselling author Douglas Adams and zoologist Mark Carwardine take off around the world in search of exotic endangered creatures. Join them as they encounter the animal kingdom in its stunning beauty, astonishing variety, and imminent peril: the giant Komodo dragon of Indonesia, the helpless but loveable Kakapo of New Zealand, the blind river dolphins of China, the white rhinos of Zaire, the rare birds of Mauritius island in the Indian Ocean. Hilarious and poignant as only Douglas Adams can be, *Last Chance to See* is an entertaining and arresting odyssey through the Earth's magnificent wildlife galaxy. Praise for *Last Chance to See*: Lively, sharply satirical, brilliantly written, shows how human care can undo what human carelessness has wrought. The Atlantic: These authors don't hesitate to present the alarming facts. More than 1,000 species of animals and plants become extinct every year. Perhaps Adams and Carwardine, with their witty science, will help prevent such misadventures in the future. Boston Sunday Herald: Very funny and moving. The glimpses of rare fauna seem to have enlarged Adams's thinking, enlivened his world, and so might the animals do for us all if we were to help them live. The Washington Post Book World: Adams invites us to enter into a conspiracy of laughter and caring. Los Angeles Times: Amusing, thought-provoking. Its details on the heroic efforts being made to save these animals are inspirational. The New York Times Book Review: *Last Chance Tourism*.

Harvey Lemelin, Jackie Dawson, Emma J. Stewart, 2013-03 Concerns over vanishing destinations such as the Great Barrier Reef, the Everglades of Florida, the ice cap on Mt. Kilimanjaro, and the Maldives have prompted some travel operators and tour agencies to recommend these destinations to consumers before they disappear. This is the first book to empirically examine and evaluate this contemporary tourism development, providing a new angle on the effects of global change and pressures of visitation on tourism destinations. It aims to develop the conceptual definition of last chance tourism, examine the ethics surrounding this type of travel, and provide case studies highlighting this form of tourism in different regions. In particular, it critically reviews the advantages of publicizing these vulnerable destinations to raise awareness and promote conservation efforts, but also the issue of attracting more tourists seeking to undergo such experiences before they are gone forever, accelerating the negative impacts. It further examines current trends, discusses escalating challenges, and highlights future opportunities.

One Last Chance Kat Martin, 2022-11-29 The New York Times bestselling author delivers an explosive thriller perfect for fans of Laura Griffin and Heather Graham, featuring a dangerous cult, an ex-Green Beret, and a female private investigator who will stop at nothing to rescue her missing sister and unmask a high-stakes conspiracy. Former Green Beret Edge Logan has made a new life for himself at Nighthawk Security in Denver, using his finely honed skills to neutralize threats of all kinds. When he overhears friend and fellow agent Skye Delaney discussing a new case involving her missing sister and a mysterious cult, he offers himself as backup. With her own military background, Skye is gutsy and more than capable, but a cult like Children of the Sun is too risky for anyone to investigate alone. Skye is grateful for Edge's experience.

even though she is aware of the attraction simmering between them Her battle scars make her reluctant to get involved with anyone much less a coworker even a warrior like Edge But infiltrating the cult s compound is more complicated than expected and something much more sinister than worship is clearly going on behind its walls As the pair works against the clock to unearth high stakes secrets the personal barriers between them begin to crumble Together can they unmask the face of evil before their time runs out Will captivate series fans and new readers alike Publishers Weekly

The Practice of Sustainable Tourism Michael Hughes,David Weaver,Christof Pforr,2015-06-19 Sustainable tourism is a widely used term that has accumulated considerable attention from researchers and policy makers over the past two decades However there is still an apparently wide gap between theory and practice in the area Recent scholarly research has tended to focus on niche areas of alternative tourism rather than address the broader issues and vagaries and paradoxes that appear to plague the broader notion of sustainable tourism As such there is a need for a new and pragmatic analysis of sustainable tourism as an overarching idea and how this manifests in practice The Practice of Sustainable Tourism fulfils this need by offering a fresh perspective on sustainable tourism as an umbrella concept with inherent tensions It presents a way of thinking about tourism based on the notion of finding common ground using the dialectic tradition of philosophy Dialectics focusses on resolving opposing viewpoints by recognising they have common elements that can be combined into a rational and practical solution over time As part of this approach the book examines the strongly apparent tensions within alternative tourism as well as the paradox of continuing growth and other mass tourism related issues It is divided into three parts Part I includes chapters discussing the general concept of sustainable tourism its history current status and possible futures Part II includes a range of destination case studies exploring how sustainable tourism has been applied and Part III includes perspectives from the tourism operator view Given the international content and challenging themes the book will be appealing internationally to students researchers and academics in the fields of tourism geography sustainability and social science

Last Hope: Mankind's Final Chance to Prolong Our Species by Finding New Planets to Inhabit Newnobleman, **Space Patrol** Jean-Noel Bassior,2015-05-07 Before Star Trek there was Space Patrol Science fiction television has its roots in this live action packed series that captured the imagination of Americans from 1950 to 1955 when space travel was just a dream This book explores the freewheeling spirit of live TV where anything could go wrong before millions of viewers and often did It spotlights often in personal interviews the risk taking Space Patrol cast and crew who laid vital groundwork for television today Included are episode logs for both television and radio shows as well as a complete guide to Space Patrol memorabilia

Tall Blondes Lynn Sherr,1997-08 Traces the cultural history of the giraffe includes ancient and contemporary descriptions and studies the impact of giraffes on the human imagination **No Face** Brandon Krogel,2010-08-30 No Face by emerging writer Brandon Krogel is a ten year memoir spanning the stunning second decade of his life He describes the events of that decade many of which intensely tragic with self deprecating humor and a great deal of insight making No Face

a soulful read It is a story of loss trauma defeat and in the end of resiliency and triumph of the human spirit Margaret Atwood wrote that writing has to do with a desire or even a compulsion to enter something dark and to bring that darkness out to the light Krogel has done just that He has entered the darkness of depression loss and addiction and he has illuminated it for us his readers bringing out into the light experiences that are extraordinary Gerda Wever PhD editor **The Lesson of this Century** Karl Popper,2013-04-15 One of the century's greatest and most influential thinkers Karl Popper reminds us that we must recognize our responsibilities in preserving the democratic system we enjoy it is our actions which will create the world of tomorrow In these interviews with journalist Giancarlo Bosetti Karl Popper ranges widely over contemporary political and social issues He reflects on many topics from the decline of the Soviet Union and the danger of a Third World War to our obligations to children and the potentially harmful influence of television He warns us that the increasing violence and egotism of our society if unchecked will imperil our civilisation The volume also contains two talks on the theory of democracy arguing that democracy has never been the rule of the people nor can or should it be but only the best method we know for preventing tyranny **The Routledge Handbook of Tourism Impacts** Dogan Gursoy,Robin Nunkoo,2019-04-29 This handbook explores and critically examines both positive and negative impacts of tourism development focusing on the past present and future issues challenges and trends from a multidisciplinary global perspective Through a comparative approach involving international case studies this book explores our understanding of tourism impacts and contributes to the theoretical development on relationships between tourism impacts and community support for tourism development This handbook focuses on a variety of geographical locations drawing from the knowledge and expertise of highly regarded academics from around the world Specifically it explores the adoption and implementation of various tourism development and impact management approaches in a wide range of global contexts while identifying their trends issues and challenges It addresses strategies relating to innovation sustainability and social responsibility and critically reviews the economic sociocultural environmental political and technological impacts of tourism The text also identifies future trends and issues as well as exploring the methods used to study tourism impacts Conveying the latest thinking and research this handbook will be a key reference for students researchers and academics of tourism as well as development studies geography cultural studies sustainability and business encouraging dialogue across disciplinary boundaries and areas of study

Last Chance To See Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Last Chance To See PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Last Chance To See PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Last Chance To See free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Last Chance To See Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
