Laughter Aloud Thats Life English Edition:

Laughter Aloud Mary-Christine Levett, 2010-11-02 Laughter Aloud is a light hearted look at the authors experiences expressed in prose and comic verse The events and encounters are related in such a humorous way that the reader can often identify with them This is a book to make one chuckle and to indeed laugh aloud at the antics of the author as she travels in the United Kingdom and further afield Her perception and descriptions provide entertainment throughout A truly enjoyable book to which the reader will want to return many times **That's Life - Marty Whelan's Memoir** Marty Whelan, 2015-10-16 From Norman Wisdom to Eurovision and everything in between a lively and entertaining memoir from one of Ireland's best loved personalities Throughout the highs and lows of a 30 year career as one of Ireland's best loved radio and television personalities Marty Whelan has always remained upbeat with a determination for survival and an enthusiasm for life In this warm and witty memoir Marty takes inspiration from the songs that have had meaning in his life as he explores some big themes love heroes family friendship music childhood and spirituality by way of Bruce Springsteen David Bowie Glen Campbell Paul McCartney The Three Degrees Frank Sinatra and Madama Butterfly Although he is one of Ireland's national treasures Marty has never stopped being a fan himself That's Life describes his many wonderful adventures up close and personal with his own heroes getting to bring his beloved mum to tea with her idol Norman Wisdom forgetting how to speak on coming face to face with Al Pacino entertaining Spike Milligan and dancing in the dark with Bruce Springsteen And yet at the heart of the book is the story of the man himself from growing up as an only child to his brief spell in a band that couldn't write any songs from dating in Dublin in the seventies to leaving his insurance job during lunch hour for his first broadcasting gigs on pirate radio and on to the many family highs and occasional heartaches A great man for the tangent you'll find you have to stop off a few times for the odd joke Marty will take you on a whirlwind journey through a life fully lived but most of all a life filled with love laughter family and friendship **Parzival A Knightly Epic Volume 1 (of 2) (English Edition)** Wolfram von Eschenbach, Example in this ebook In presenting for the first time to English readers the greatest work of Germany's greatest medieval poet a few words of introduction alike for poem and writer may not be out of place The lapse of nearly seven hundred years and the changes which the centuries have worked alike in language and in thought would have naturally operated to render any work unfamiliar still more so when that work was composed in a foreign tongue but indeed it is only within the present century that the original text of the Parzival has been collated from the MSS and made accessible even in its own land to the general reader But the interest which is now felt by many in the Arthurian romances quickened into life doubtless by the genius of the late Poet Laureate and the fact that the greatest composer of our time Richard Wagner has selected this poem as the groundwork of that wonderful drama which a growing consensus of opinion has hailed as the grandest artistic achievement of this century seem to indicate that the time has come when the work of Wolfram von Eschenbach may hope to receive from a wider public than that of his own day the recognition which it

so well deserves Of the poet himself we know but little save from the personal allusions scattered throughout his works the dates of his birth and death are alike unrecorded but the frequent notices of contemporary events to be found in his poems enable us to fix with tolerable certainty the period of his literary activity and to judge approximately the outline of his life Wolfram s greatest work the Parzival was apparently written within the early years of the thirteenth century he makes constant allusions to events happening and to works produced within the first decade of that period and as his latest work the Willehalm left unfinished mentions as recent the death of the Landgrave Herman of Thuringia which occurred in 1216 the probability seems to be that the Parzival was written within the first fifteen years of the thirteenth century Inasmuch too as this work bears no traces of immaturity in thought or style it is probable that the date of the poet s birth cannot be placed much later than 1170 The name Wolfram von Eschenbach points to Eschenbach in Bavaria as in all probability the place of his birth as it certainly was of his burial So late as the end of the seventeenth century his tomb with inscription was to be seen in the Frauen kirche of Ober Eschenbach and the fact that within a short distance of the town are to be found localities mentioned in his poems such as Wildberg Abenberg Tr hending Wertheim etc seems to show that there too the life of the poet knight was spent By birth as Wolfram himself tells us he belonged to the knightly order Zum Schildesamt bin Ich geboren though whether his family was noble or not is a disputed point in any case Wolfram was a poor man as the humorous allusions which he makes to his poverty abundantly testify Yet he does not seem to have led the life of a wandering singer as did his famous contemporary Walther von der Vogelweide if Wolfram journeyed as he probably did it was rather in search of knightly adventures he tells us Durchstreifen muss Der Lande viel Wer Schildesamt verwalten will and though fully conscious of his gift of song yet he systematically exalts his office of knight above that of poet The period when Wolfram lived and sang we cannot say wrote for by his own confession he could neither read nor write I ne kan decheinen buochstap he says in Parzival and in Willehalm Waz an den buochen steht geschrieben Des bin Ich kunstelos geblieben and his poems must therefore have been orally dictated was one peculiarly fitted to develop his special genius To be continue in this ebook
