Law A Very Short Introduction:

Law Raymond Wacks, 2015 Law is at the heart of every society protecting rights imposing duties and establishing a framework for the conduct of almost all social political and economic activity Despite this the law often seems a highly technical perplexing mystery with its antiquated and often impenetrable jargon obsolete procedures and endless stream of complex statutes and legislation In this Very Short Introduction Raymond Wacks introduces the major branches of the law describing what lawyers do and how courts operate and considers the philosophy of law and its pursuit of justice freedom and equality In this second edition Wacks locates the discipline in our contemporary world considering the pressures of globalization and digitalisation and the nature of the law in our culture of threatened security and surveillance ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

The Rule of Law Aziz Z. Huq, Frank and Bernice J Greenberg Professor of Law Aziz Z Huq, 2024 This very short introduction sets out the origins and development of an English language debate centered around the phrase rule of law It aims to explore the distinctive ethical contribution offered by various thinkers to this specific phrase first theorized by the English scholar A V Dicey while largely setting aside how the same questions are framed and resolved in other traditions The book opens by canvassing the classical and early modern sources upon which Dicey and his successors explicitly drew It then explores the idea of Dicey who it flags as the first self conscious theorist of the rule of law It then recounts his immediate successors These include a heterogeneous range of thinkers such as Friedrich Hayek Lon Fuller Ronald Dworkin and Tom Bingham With this genealogy in hand the book then reflects the important question of why the rule of law in some version or other persists that is why do actors with the power to cast aside the rule of law not do so The book next turns to the ways in which the term rule of law has diffused across borders making it a geopolitical phenomenon Specifically the phrase was taken toward the end of the twentieth century across borders by actors as diverse as the World Bank Singapore and the Chinese Communist Party Finally the book closes by examining the way that the rule of law tradition can be challenged both as a matter of theory and practice

The Common Law: a Very Short Introduction Joshua Getzler, 2016-05-01 The common law began as England's national system of adjudication for correcting wrongs protecting rights and enforcing due administration of government in the Royal courts Its origins can be traced back to 11th century England and was soon exported to the rest of Britain and ultimately to the far flung reaches of the British Empire The common law has therefore enjoyed nearly a thousand years of development and elaboration in many lands influenced by but separate from the systems of continental Europe with its own distinctive procedures of pleading fact finding and remedies It developed laws that govern much of today's world of trade business and finance it defended ideas of personal liberty and equality before the law and it helped establish principles

of constitutional legally limited government and administration Thus the common law provides an original and crucial strand in the history of social organization politics and culture around the world In this Very Short Introduction Joseph Getzler explains the evolution of the common law The main institutions of the common law are described courts procedures judges and juries and means of reporting analysing and learning the law and the main categories of common law rights and duties are delineated property contract and tort equitable claims unjust enrichment crime constitutional and public law and civil liberties

Philosophy of Law: A Very Short Introduction Raymond Wacks, 2006-05-18 The concept of law lies at the heart of our social and political life shaping the character of our community and underlying issues from racism and abortion to human rights and international war But what actually is law A set of naturally occurring moral principles or simply rules agreed by a particular society What is a right and what rights should people actually have Is law really colour blind and gender blind Can the law truly tell us whether gay marriages are immoral what's wrong with racism or whether we should go to war Revealing the intriguing and challenging nature of legal philosophy with clarity and enthusiasm Raymond Wacks explores the notion of law and its role in our lives Referring to key thinkers from Aristotle to Rawls Bentham Dworkin H L A Hart and Derrida he looks at the central questions behind legal theory that have fascinated lawyers and philosophers and anyone who ever wondered about law's relation to justice morality and democracy ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

American Legal History: A Very Short Introduction G. Edward White, 2013-11-21 Law has played a central role in American history From colonial times to the present law has not just reflected the changing society in which legal decisions have been made it has played a powerful role in shaping that society though not always in positive ways Eminent legal scholar G Edward White author of the ongoing multi volume Law in American History offers a compact overview that sheds light on the impact of law on a number of key social issues Rather than offer a straight chronological history the book instead traces important threads woven throughout our nation's past looking at how law shaped Native American affairs slavery business and home life as well as how it has dealt with criminal and civil offenses White shows that law has not always been used to exemplary ends For instance a series of decisions by the Marshall court essentially marginalized Amerindians indigenous people of the Americas reducing tribes to wards of the government Likewise law initially legitimated slavery in the United States and legal institutions including the Supreme Court failed to resolve the tensions stirred up by the westward expansion of slavery eventually sparking the Civil War White also looks at the expansion of laws regarding property rights which were vitally important to the colonists many of whom left Europe hoping to become land owners the evolution of criminal punishment from a public display the stocks the gallows to a private prison system the rise of tort law after the Civil War and the progress in legal education moving from

informal apprenticeships and lax standards to modern law schools and rigorous bar exams In this illuminating look at the pivotal role of law in American life White offers us an excellent first step to a better appreciation of the function of law in our society About the Series Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects from Islam to Sociology Politics to Classics Literary Theory to History and Archaeology to the Bible Not simply a textbook of definitions each volume in this series provides trenchant and provocative yet always balanced and complete discussions of the central issues in a given discipline or field Every Very Short Introduction gives a readable evolution of the subject in question demonstrating how the subject has developed and how it has influenced society Eventually the series will encompass every major academic discipline offering all students an accessible and abundant reference library Whatever the area of study that one deems important or appealing whatever the topic that fascinates the general reader the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable

International Law Vaughan Lowe, 2015-11-26 Interest in international law has increased greatly over the past decade largely because of its central place in discussions such as the Iraq War and Guantanamo the World Trade Organisation the anti capitalist movement the Kyoto Convention on climate change and the apparent failure of the international system to deal with the situations in Palestine and Darfur and the plights of refugees and illegal immigrants around the world This Very Short Introduction explains what international law is what its role in international society is and how it operates Vaughan Lowe examines what international law can and cannot do and what it is and what it isn't doing to make the world a better place Focussing on the problems the world faces Lowe uses terrorism environmental change poverty and international violence to demonstrate the theories and practice of international law and how the principles can be used for international co operation

Comparative Law Sabrina Ragone, Guido Smorto, 2023-11-28 Very Short Introductions Brilliant Sharp Inspiring Comparative Law A Very Short Introduction aims to offer a concise introduction to Comparative Law its objectives methods concepts and uses After an overview of the fundamental definitions key concepts and basic lexicon of the discipline the book proposes an analysis of the most successful techniques adopted in legal comparison for mapping the world's legal systems and for explaining legal change and diffusion of law also giving a concise description of the legal traditions of the world It also offers an account of the competing approaches adopted over time in comparative endeavours from functionalism to culturalism and postmodernism and highlights the different emphasis placed by each of these approaches on commonalities faith in universal law and convergence or on divergence and irreducible differences Finally the book provides readers with an understanding of the practical use of comparative law describing how legal comparison is employed both in law making and in adjudication supplementing legal reasoning and interpretation

ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make

interesting and challenging topics highly readable **Thinking Critically About Law** Amy R Codling, 2025-06-02 You arrive at university to embark upon your journey to think like a lawyer but is simply knowing the law enough to gain you the best marks What do you need to do exactly to achieve a first class law degree and promising professional career For top marks what do your lecturers mean when they say you need to deepen your critical analysis to answer assessment questions When should you put your own viewpoints forward When and how should you draw upon the work of others What do your examiners mean when they give you feedback saying that your work is too descriptive This book explores what it means to think critically and offers practical tips and advice for students to develop the process skill and ability of thinking critically while studying law as well as beyond that in the workplace The second edition of Thinking Critically About Law utilises art music poetry and prose to explore essential questions about studying law and what it means to think critically offering practical tips and advice for students looking to develop critical thinking skills in relation to law Updates reflect seismic changes that have taken place both in law teaching and in society more generally These include the Covid 19 pandemic social movements sparked by the murders of Sarah Everard and George Floyd moves to decolonise the law curriculum and the introduction of the SQE qualification There is also an innovative foreword by Professor Russell Sandberg a new chapter on the topic of how to think critically during discussions a new section on Thinking Critically About Law in the Future as well as a renewed emphasis on the health and well being of students Other student focused resources will be available as support materials Thinking Critically about Law is a crucial companion for those studying law at A Level and undergraduate level as well as being relevant to postgraduate students newly qualified lawyers and tutors of law ,

Literature and Law Mark Fortier, 2019-05-09 The fields of literature and law intersect in frequent and often surprising ways This clear and concise book offers an introduction to the area covering the history key thinkers and ideas as well as detailed and fascinating studies into areas such as evidence and truth inheritance sex vigilantism and justice Each chapter examines a number of familiar authors and texts including Shakespeare Brecht Austen Dickens Ishiguro Beecher Stowe Atwood Miller The book also opens up the broader study of law as it relates to culture in such areas as film television and digital media and how they affect such issues as a right to privacy copyright and creative reworking and censorship Mark Fortier offers a concise systemic introduction to the law and legal system for the lay person covering basic notions of justice and law fundamental justice natural law positive law and the legal system common law vs civil law case law statute constitutional law private law tort contract property criminal law equity basic rules of evidence stare decisis the adversarial system as well as a very handy glossary of legal terms This is a fascinating guide to a very topical and increasingly relevant area of literary studies

The Top Books of the Year Law A Very Short Introduction The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Law A Very Short Introduction : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.

Law A Very Short Introduction Introduction

In the digital age, access to information has become easier than ever before. The ability to download Law A Very Short Introduction has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Law A Very Short Introduction has opened up a world of possibilities. Downloading Law A Very Short Introduction provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate

access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Law A Very Short Introduction has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Law A Very Short Introduction. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Law A Very Short Introduction. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Law A Very Short Introduction, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Law A Very Short Introduction has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
