Rose, Annie Weisman, Joan Stein, Cheryl L. West, 2012 THE STORY When entrusting the subject of motherhood to such a dazzling collection of celebrated American writers what results is a joyous moving hilarious and altogether thrilling theatrical event Utterly unpredictable MOTHERHOOD OUT LOUD sh *Small-Screen Souths* Lisa Hinrichsen, Gina Caison, Stephanie Rountree, 2017-11-16 In sixteen essays that capitalize on recent innovations in cultural studies media studies and American studies Small Screen Souths Region Identity and the Cultural Politics of Television assesses a diverse televisual archive to demonstrate how television studies can offer new critical possibilities for analyzing the complex histories of gender sexuality class and race in the U S South Small Screen Souths analyzes historical and current depictions of the South and the way such depictions have influenced popular conceptions of the region *Chase's Calendar of Events 2016* Editors of Chase's, 2015-09-11 Chase s Calendar of Events is the most comprehensive and authoritative reference available on special events holidays federal and state observances historic anniversaries astronomical phenomena and more Published since 1957 Chase s is the only guide to special days weeks and months *The Washington Post Index* , 1989 **New York Magazine** , 1986-05-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **These Few Precious Days** Christopher Andersen, 2013-08-06 1 New York Times bestselling biographer Christopher Andersen has a real track record when it comes to celebrity bios He looks at Jack and Jackie Kennedy during their final year pondering aloud whether after all the triumphs and betrayals they still loved each other Library Journal They were the original power couple outlandishly rich impossibly attractive and endlessly fascinating Now in this rare behind the scenes portrait of the Kennedys in their final year together New York Times bestselling biographer Christopher Andersen shows us a side of JFK and Jackie that we ve never seen before Tender intimate complex and at times explosive theirs is a love story unlike any other filled with secrets scandals and bombshells that could never be fully revealed until now *Climate and Health Education: Defining the Needs of Society in a Changing Climate* Cecilia Sorensen, Gaurab Basu, Lisa H. Patel, Arianne Teherani, 2023-11-16 The adverse effects of climate change are now apparent and present urgent and complex challenges to human health and health systems globally There is an imperative for quick action on many fronts to recognize and respond to climate health threats prevent climate change at its source by reducing greenhouse gas emissions support greener systems throughout the economy including healthcare understand the health co benefits of adaptation and mitigation and communicate effectively

about these issues Climate change is intertwined with historical and structural inequities and effective solutions must actively improve health equity To meaningfully address these deep and interconnected issues there is a growing imperative across the educational landscape to move beyond existing constraints toward new ways of thinking and learning Many have recognized that we must create societal systems that account for the health of all people now and into the future while simultaneously preserving and improving the environment on which our life depends Such transformations rest on the skills knowledge values and attitudes of the workforce not just in health and health care but within all sectors However despite the health crisis of climate change at our doorstep development of climate and health curricula is nascent although is a growing consideration of leaders globally Because the health impacts from climate and planetary change are so myriad and intertwined sectors must work together like never before to move beyond existing silos of practice to a shared landscape and vision in practice but first in education
