

Microsoft

Excel 365 ADVANCED X

CONDITIONAL FORMATS

- **Conditional format:** Formatting that changes based on the value in the cell, unlike traditional formats.

Your rules can:

- Reflect whether values are above or below a specific threshold
- Indicate how large a value is when compared to other values to which the same rule is applied
- Identify the smallest and largest values in the selected range

Display the Conditional Formatting list:

- Select the appropriate cells.
- Go to the **Styles** group on the **Home** tab.

Click Conditional Formatting:

HIGHLIGHTING RULES

Create a cell-highlighting rule:

- Display the **Conditional Formatting** list.
- Point to **Highlight Cells Rules** and then click the type of rule you want to create.
- Go to the dialog box that appears.
 - Define a rule to specify when Excel should apply the format.
 - Click the list box's down arrow and click a predefined format.

OR

- Click **Custom Format**
- Go to the **Format Cells** dialog box.
- Define the format.
- Click **OK**
- Click **OK**

Create a top or bottom rule:

- Display the **Conditional Formatting** list.
- Point to **Top/Bottom Rules**.
- Click the type of rule you want to create.
- Go to the dialog box.
- Create the rule to specify when Excel should apply the format.
 - Click the list box's down arrow and click a predefined format.

OR

- Click **Custom Format**
- Go to the **Format Cells** dialog box.
- Define the format.
- Click **OK**
- Click **OK**

Highlight unique or duplicate values in a range:

- Display the **Conditional Formatting** list.
- Point to **Highlight Cells Rules**.
- Click **Duplicate Values**.
- Go to the **Duplicate Values** dialog box.
 - Click the **Format cells that contain list box's** down arrow.
 - Click **Duplicate** or **Unique**.
 - Click the list box's down arrow and click a predefined format.

OR

- Click **Custom Format**, use the controls in the **Format Cells** dialog box to define the format, and then click **OK** twice.

DATA BAR, COLOR SCALE & ICON SET FORMATS

Data Bars

Comparing two numbers in an Excel worksheet is easy, but it's difficult to compare multiple numbers with a quick glance.

- **Data bar conditional format:** Formatting that displays a color bar in the background of a cell so you can quickly compare the relative magnitude of values in a list.
- The length of the data bar represents the size of that cell's value in relation to the other cells to which you applied the conditional format.

Create a data bar conditional format:

- Display the **Conditional Formatting** list.
- Point to **Data Bars**.
- Click the format you want to apply.

Types of Data Bars

- **Gradient Fill format:**
 - Gradually change from a solid fill at the left edge of the cell to white as the data bar goes across the cell
 - Were introduced in Excel 2007
- **Solid Fill format:**
 - Remain a solid color for the entire length of the data bar
 - Were added to Excel 2010 after user feedback indicated Gradient Fill data bars were hard to interpret.

Year	Sales
2019	\$ 1,300,000
2020	\$ 2,900,000
2021	\$ 1,850,000

Solid Fill Data Bar

Gradient Fill Data Bar

Show a data bar without showing the cell's contents:

- Display the **Conditional Formatting** list.
- Point to **Data Bars**.
- Click **More Rules**.
- Go to the **New Formatting Rule** dialog box.
- Check the **Show Bar Only** box.
- Click **OK**.

Show negative values using a data bar:

- Display the **Conditional Formatting** list.
- Point to **Data Bars**.
- Click **More Rules**.
- Go to the **New Formatting Rule** dialog box.
- Click the **Negative Value and Axis** button.

- Go to the **Negative Value and Axis Settings** dialog box.
- Click the **Fill Color** button and select a fill color for negative values.

OR

- Select the **Apply same fill color as positive bar** option.
- In the **Axis** settings section of the dialog box, select any of these options to position the axis separating positive and negative values:
 - **Automatic** (display at variable position based on negative values)
 - **Cell midpoint**
 - **None** (show negative values in the same direction as positive)
- Click the **Axis color** button and select a color for the axis.
- Click **OK** twice to close the dialog boxes.

Color Scales

Color scales use gradually changing colors, called **gradients**, to represent changes in cell values.

EX: A color scale that displays cells with small values in white and larger values in red would fill the background of the cell that contains the smallest value with a pure white background and add bits of red to represent larger values. The cell that contains the largest value in the range would have a background of pure red.

Create a color scale conditional format:

- Display the **Conditional Formatting** list.
- Point to **Color Scales**.
- Click the format you want to apply.

NOTE: You can select two-color or three-color **Color Scales**. If your data falls into two distinct ranges, use a **two-color scale**. If your data falls into three distinct ranges, such as poor, fair, and good performance, use a **three-color scale**.

Hour	Station 1	Station 2	Station 3	Station 4
1	13	52	89	79
2	58	74	37	32
3	9	14	84	15
4	8	31	43	52
5	72	60	52	89

Two-Color Color Scale

Base color scales on specific minimum & maximum values:

- Display the **Conditional Formatting** list.
- Point to **Color Scales**.
- Click **More Rules**.
- Go to the **New Formatting Rule** dialog box.
- Click the **Minimum column's Type** list box's down arrow.
- Click **Number**.
- Go to the **Minimum column's Value** box.
- Enter a minimum scale value.
- Click the **Maximum column's Type** list box's down arrow.
- Click **Number**.

- Go to the **Maximum column's Value** box.
- Enter a maximum scale value.

Click OK

NOTE: Any values below the minimum you set will be formatted as if they were the minimum value. Excel treats values larger than the maximum you set in a similar way.

- Display the **Conditional Formatting** list.
- Point to **Color Scales**.
- Click **More Rules**.
- Go to the **New Formatting Rule** dialog box.
- Click the **Minimum column's Color** control's down arrow.
- Click the color you want to apply.
- Click the **Maximum column's Color** control's down arrow.
- Click the color you want to apply.
- Click **OK**.

Icon Sets

- **Icon sets:** Collections of small graphics, or icons, that visually represent how the contents of a worksheet cell compare to a set of criteria you define.
- Quick visual summaries are perfect for dashboards and worksheets that summarize an organization's operational data in relation to metrics established by the organization.
 - Most dashboards use a variation of green, yellow, and red traffic lights to indicate good, fair, and poor performance.

Create an icon set conditional format:

- Display the **Conditional Formatting** list.
- Point to **Icon Sets**.
- Click the format you want to apply.

Month	On-Time %
January	83
February	72
March	94
April	70

Three-Indicator Icon Set

Apply icons by number instead of percent:

- Display the **Conditional Formatting** list.
- Point to **Icon Sets**.
- Click **More Rules**.
- Go to the **New Formatting Rule** dialog box.
- Click the first **Type** list box's down arrow.
- Click **Number**.

NOTE: You should change the rule type first when creating or editing an icon set rule where Excel compares values to a number rather than a percent of the value. If you change the **Value** and comparison operators and then change the type to **Number**, Excel will reset the comparison operator and contents of the **Value** box.

- Click the first comparison operator list box's down arrow.
- Select the operator to use in the comparison.

Microsoft Excel Study Guide 23 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Microsoft Excel Study Guide 23 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Microsoft Excel Study Guide 23 has opened up a world of possibilities. Downloading Microsoft Excel Study Guide 23 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Microsoft Excel Study Guide 23 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Microsoft Excel Study Guide 23. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Microsoft Excel Study Guide 23. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Microsoft Excel Study Guide 23, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Microsoft Excel Study Guide 23 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of

continuous learning and intellectual growth.

FAQs About Microsoft Excel Study Guide 23 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Microsoft Excel Study Guide 23 is one of the best book in our library for free trial. We provide copy of Microsoft Excel Study Guide 23 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Microsoft Excel Study Guide 23. Where to download Microsoft Excel Study Guide 23 online for free? Are you looking for Microsoft Excel Study Guide 23 PDF? This is definitely going to save you time and cash in something you should think about.
