How Do I Know:

When I Am Playing with My Cat, How Do I Know That She Is Not Playing with Me? Saul Frampton, 2011-03-15

When I dance I dance when I sleep I sleep And when I am walking alone in a beautiful orchard if my thoughts are sometimes preoccupied elsewhere the rest of the time I bring them back to the walk to the orchard to the sweetness of this solitude and to me Montaigne In the year 1570 at the age of thirty seven Michel de Montaigne gave up his job as a magistrate and retired to his chateau to brood on his own private grief the deaths of his best friend his father his brother and his firstborn child On the ceiling of his library he inscribed a phrase from the Roman poet and philosopher Lucretius There is no new pleasure to be gained by living longer But finding his mind agitated rather than settled by this idleness Montaigne began to write giving birth to the Essays short prose explorations of an amazingly wide range of subjects And gradually over the course of his writing Montaigne rejected his stoical pessimism and turned from a philosophy of death to a philosophy of life He erased Lucretius's melancholy fatalism and began to embrace the exuberant vitality of living finding an antidote to death in the most unlikely places the touch of a hand the smell of his doublet the playfulness of his cat and the flavor of his wine Saul Frampton offers a celebration of perhaps the most enjoyable and yet profound of all Renaissance writers whose essays went on to have a huge impact on figures as diverse as Shakespeare Emerson and Orson Welles and whose thoughts even today offer a guide and unprecedented insight into the simple matter of being alive

The Unharnessed World Cindy Gabrielle, 2015-06-18 Though New Zealand author Janet Frame 1924 2004 lived at a time of growing dissatisfaction with European cultural models and though her auto biography fiction and letters all testify to the fact that a direct encounter between herself and Buddhism occurred her work has so far never been examined from the vantage point of its indebtedness to Buddhism It is of the utmost significance however that a Buddhist navigation of Frame s texts should shed fresh light on large segments of the Framean corpus which have tended to remain obdurately mysterious This includes passages centering on such themes as the existence of a non dual world or a character s sudden embrace of a non ego like

self Of equal significance is the conclusion one then draws that this unharnessed world which human beings are often unable to embrace has always been right under their nose for whenever the aspect of the intellect that filters perceptions into mutually excluding categories fails to function he or she finds a place of subjective arrival in and sees this supposedly unknowable beyond Thus possibly against the grain of mainstream criticism this study argues that Janet Frame constantly seeks ways through which the infinite and the Other can be approached though not corrupted by the perceiving self and that she found in the Buddhist epistemology a pathway towards evoking such alterity

Slim's a Texas bluesman of a certain age, down on his luck and just about broke, but hey, that's what the blues are all about. He loves his music. Not the popular blues homogenized, synthesized, and zombified, but the real down-home gut bucket blues. Then one day the music loves him back. In a single hot burst of lightning that comes straight up out of the ground, Slim finds himself in Texas. It's a little bit magic and a whole lot different, but the blues are the same. And the blues manifest here in the form of a maple-necked pearl gray Fender Stratocaster with blue chrome pickups, aka the Gutbucket. Need him and need him bad. The Strat's fallen into the hands of T Bone Pickens and his Vipers, who want to suck up all its power and turn it to evil. Slim's off and running on the Gutbucket Quest with the help of his new mentor, rhythm guitarist Progress T Hornsby and a purely unstoppable blues singer named Nadine.
