Deaf Identities Irene W. Leigh, Catherine A. O'Brien, 2020 Much has been written about deaf identities however no single book has focused specifically on how different academic disciplines conceptualize deaf identities in one fell swoop This book *Deaf Identities Exploring New Frontiers* does exactly that It is a unique compilation of multidisciplinary perspectives on the lens of deaf identities written by scholars representing a variety of disciplines including anthropology counseling education

literary criticism practical religion philosophy psychology sociology social work and Deaf Studies Nowhere else can one find careful scrutiny of the meaning of deaf identities within for example the disciplines of philosophy and religion Where else can one find a sense of identity in passing as a deaf person instead of almost passing as a hearing person Where else can one examine mutating identities in progressing from Spiderman to the Incredible Hulk The book focuses on how the contributors perceive what deaf identities represent how these identities develop and the societal influences that shape these identities Intersectionality examination of medical educational and family systems linguistic deprivation the role of oppressive influences what the deaf body is about strategies to facilitate positive deaf identity development and how ethical values are interpreted are among the multiple topics examined in the search to better understand how deaf identities come into being In presenting their deaf identity paradigms contributors have endeavored to intertwine both scholarly and personal perspectives in their efforts to personalize academic content The result is a book that reinforces the multiple ways in which deaf identities are manifested
