Consumer Behaviour in the Catering Industry. A Case Study Of Starbucks UK Viktoria Schoja, 2016-06 Due to the high supply

on the market companies have to investigate and understand customer needs in order to adapt their products or services and to be competitive within the highly rival market. It is also crucial to avoid any unethical behaviour as this may lead to retrogressive turnover. This book focuses on the investigation of factors which determine consumer behaviour within the catering industry. To concretise this extensive area, this work will concentrate on Starbucks tax avoidance in the United Kingdom in December 2012. As there are no relevant or current reports on Starbucks tax avoidance and customer behaviour, the primary research on this issue will be done in this work. However, the literature review provides a comprehensive overview of relevant landmark studies of customer satisfaction and previous research on customer behaviour within the catering industry. By means of a self-provided conceptual framework and an appropriate methodology, a quantitative online questionnaire was created and implemented.

Research Anthology on Strategies for Using Social Media as a Service and Tool in Business Management Association, Information Resources, 2021-05-28. Social media has become an integral part of society as social networking has become a main form of communication and human interaction. To stay relevant, businesses have adopted social media tactics to interact with consumers, conduct business, and remain competitive. Social technologies have reached a vital point in the business world, being essential in strategic decision-making processes, building relationships with consumers, marketing and branding efforts, and other important areas. While social media continues to gain importance in modern society, it is essential to determine how it functions in contemporary business. The Research Anthology on Strategies for Using Social Media as a Service and Tool in Business provides updated information on how businesses are strategically using social media and explores the role of social media in keeping businesses competitive in the global economy.
