Fallocaust Fallocaust 1 Quil Carter:

The Ghost and the Darkness Volume 1 Quil Carter, 2014-10-31 I would say that my life changed as soon as those gunshots went off but in reality everything changed the moment Leo and Greyson loaded that decapitated body into the truck back in Donnelly Now I am in a place I don't recognize with people I had once seen as my enemies They are telling me that all of this is up to me and here I am just wishing I was in my basement with a quill between my fingers Though I know what cards I've been dealt I know I never had a say in this I wasn't born free like I had always thought I had been created for a purpose and if I wanted to keep Killian safe I needed to do this It had always been about him *The Ghost and the Darkness Volume 1* begins immediately where Fallocaust left off Reaver and Killian have left Aras behind and are now deep in the greywastes hiding from King Silas with the help of some unlikely friends Though their time living in safety is short lived for Elish is a man of many plans and even more secrets *A God Among Insects Volume 1* Quil Carter, 2018-04-27 Two months after what is now

known as The Proxy Incident has every chimera who was present during Elish's discipline living in fear Elish and Jade are taking great joy in personally crafting punishments for the family members that have wronged them and without Silas to stop the two they're free to do whatever they want But though Jade has been having fun being involved in Elish's plans the more time that goes on the more Jade realizes there is something wrong with his husband Elish isn't acting like his normal self and on top of that Jade suspects the new King of Skyfall is hiding something from him And far away from Skyfall Reaver and Killian are both trapped in a distant land with an unexpected third party Not only do they have to try and make their way back to civilization in a land of mutated monsters and proxy worms but Reaver finds himself drawn off of their planned path towards someone unknown a suspected born immortal who has left them a trail of macabre bread crumbs **Breaking**

Jade Quil Carter, 2015-03-04 Skyfall the only city that King Silas spared when he started the Fallocaust It is a safe haven from the radiation and a place where there is plant life electricity protection things never seen or felt in the lawless savage greywastes In Skyfall lives a teenager named Jade born and raised in the slum district Moros by an insane mother He steals and cheats in any way he can to keep him and his boyfriend alive for another winter all while longing for a better life some place warm beyond the slums Then a chance encounter brings Jade into the sights of the most important and most feared chimera in Skyfall Elish Dekker A man of statuesque elegance cold beauty and a reputation for being the most heartless and cruel chimera in existence And though Elish may not understand why he does know one thing for sure the boy will be his pet

The Suicide King Volume 1 Quil Carter, 2015-12-16 After months of being separated Reaver and Killian are finally together but their happiness is short lived Unbeknownst to Killian Reaver is struggling with his own inner demons demons that threaten to not only rip Reaver apart but their entire relationship as well Unfortunately though it's not only demons they have to worry about Reaver and Killian are going to quickly realize that the plaguelands hold to them a threat that the greywastes and Skyfall have never seen a dangerous creature that has discovered just how valuable immortals are And back

in Skyfall the Dekker family is about to be tested in ways they've never been before Chimeras who were once seen as unstoppable will be stopped those deemed shatterproof will be shattered and the higher these men are the longer and harder they'll fall Who will rise from the ashes and who will burn in the flames still remains to be seen but one thing's for sure it'll be quite the ride Garden of Spiders Volume 1 Quil Carter,2016-11-04 When you look at a man's past who he is makes sense Things previously shrouded become clear and the airs of mystery that once clung so tightly to him begin to fade away until all that is left is the being he hid like a dark secret Elish's beginnings did not start out with a bang but inside of a peaceful home far from the savage realities of the greywastes But like all things in the Fallocaust the peace didn't last One can be sheltered from the monsters of the dead world but you can never escape the demon who hides under the mask of a smiling king Because in the end reality is a beast that cares not for the perfect images it shatters or the world it devours piece by piece But reality can also strengthen it can light you on fire burn you to cinders and then watch proudly as the phoenix rises from the ashes stronger than it ever was before However underneath each feather there is a scar and though blood pumps hot through his veins it is from a heart cold and closed off But it didn't start out that way quite the opposite And this is his story Silent Ground Quil Carter,2017-06-28 Sasha's crazy He knows he's crazy his uncle and best friend both know he's crazy and for a long time they'd accepted it and loved him anyway But now now things are changing Sasha's migraines are getting worse there's a voice inside of his head that keeps demeaning him and for some screwed up reason the only thing that cures these migraines is Sasha's own damn blood which he has to resort to masochism to extract This is not okay this is quickly becoming not okay and Sasha doesn't know what the hell he's supposed to do What's happening to him And how much longer can Sasha's uncle and best friend deal with it before they just give up on their mentally disturbed loved one for good And that's not even the worst of it Oh no not in the least There are people after Sasha two men wearing black cloaks They attacked him on a dark road and now these two are telling Sasha that he's a nightcrawler like them and it's time to come home The leader calls himself Kheva but to Sasha he's Master The second is called Kel but to Sasha he's brother And who is Sasha He's a nightcrawler like them but until he earns his place he's merely their unwilling slave
