FAT FAT Snitch Lawrence J. Corneck, 2007-07-10 Hustlers on the Rocks New Comedic Screenplay Entertains with Absurd World of Cons and Detectives NEW YORK Lawrence J Corneck has high jacked readers and lovingly pick pocketed them once again in his new hilarious screenplay FAT FAT Snitch published by AuthorHouse a dark comedy with unusual heroes filled with bumbling parole officers and inept con artists Companion to his previous books this time he tells the absurd and entertaining story of Floyd Gibbons a sleazy now retired detective who must give chase to two con artists Margo and Frank in order to secure a prestigious position on the parole board Wolf Blitzker the head of the parole office and Gibbons boss calls the two con artists a thorn in the side of this department for a long time As Gibbons pursues them Margo and Frank are each involved in their own nefarious pursuits Margo a lesbian who happens to be dating a beautiful blond secretary in the parole office is adding hotdog buns at Moishe s Gourmet Hotdog Emporium in order to double charge people for each hotdog sold Frank a man who is also a lesbian is pocketing money for each drink he sells instead of ringing them into The Kon Ticki Lounge s register One morning however Gibbons eavesdrops on the con duo s conversation Confusing the words buns for guns and drinks for chinks he immediately begins a fruitless investigation into an Asian arms operation After a series of hysterical escapades including the former investigator s inability to sit after a posterior injury Gibbons comes incredibly close to achieving his goal but unfortunately is foiled by the one from above who watches out for Margo and Frank at every turn for a very unusual reason A Chance to Break Mr. G. C., 2011-09-30 Follow the exploits of a young Haitian American from Lake Worth Florida with dreams of breaking free of the game and moving to Haiti for a normal life Top 6 is a group of young Haitian Americans with dreams of becoming rappers Their dreams are deferred when city officials law enforcement and the court system decide to finger them for crimes they didnt commit Unjustly charged with the RICO act these young men are fighting for their lives to beat a biased judicial system designed to incarcerate the poor from third world countries It will take a lot to overcome their profiles as violent drug lords Jamal Pierre is from the southside of Lake Worth and he is fresh out of jail He looks for his chance to break out of the game and reclaim his life He wants to move his family back to Haiti where they can live peacefully out of harms way But as he continues to be challenged by the constant drama with his rivals from the other side of town as well as the interest of a racist cop he realizes his chance to break free may be even more out of reach than he originally thought Will he be able to make good on his promise to Brooklyn his friend in jail to get his family out while he can *Fat Ollie's Book* Ed McBain, 2003-11-25 While investigating a councilman s murder with Kling and Carella Fat Ollie s manuscript for a novel he is writing is stolen from a briefcase in his car **Snitch** Ethan Brown, 2007-12-10 Our criminal justice system favors defendants who know how to play the 5K game criminals who are so savvy about the cooperation process that they repeatedly commit serious crimes knowing they can be sent back to the streets if they simply cooperate with prosecutors In Snitch investigative reporter Ethan Brown shows through a compelling series of

case profiles how the sentencing guidelines for drug related offenses along with the 5K1.1 section have unintentionally created a cottage industry of cooperators and led to fabricated evidence. The result is wrongful convictions and appallingly gruesome crimes including the grisly murder of the Harvey family in Richmond Virginia and the well publicized murder of Imette St Guillen in New York City. This cooperator coddling criminal justice system has ignited the infamous Stop Snitching movement in urban neighborhoods deplored by everyone from the NAACP to the mayor of Boston for encouraging witness intimidation. But as Snitch shows the movement is actually a cry against the harsh sentencing guidelines for drug related crimes and a call for hustlers to return to old school street values like do the crime do the time. Combining deep knowledge of the criminal justice system with frontline true crime reporting Snitch is a shocking and brutally troubling report about the state of American justice when it's no longer clear who are the good guys and who are the bad.

Mime's the Word

Lawrence J. Corneck, 2009-03-10. A Senseless and Dark Space New Tear Jerker describes a stagnant space between voices and sounds of life and dismal silence. NEW YORK If it weren't for bad luck I'd have no luck proclaims Mime in Lawrence J. Corneck's new screenplay Mime's the Word. Mime becomes mixed up with a sympathetic priest and a confused embittered young couple when he finds a baby left to die in a trash can. Mime's the Word follows unsavory eccentric ruthless puzzling and disturbing characters in Corneck's riveting Game of Life saga. Mime's the Word features the ultimate anti hero as Mime regresses into the solitude of silence to escape the adversities of a life. Father Warhola becomes drawn into the sudden darkness of Mime's world. A brutal crime brings Mime and Warhola closer together and strengthens their resolve that there is no escape from life. Zoe Rex is a spoiled rich girl who doesn't care about the consequences of throwing life away. Her boy toy Yoshi is naive and easily sucked into Zoe's manipulations. An intense investigation is put underway by Serena Knight, a weary cynical relentless detective. What evolves from the investigation can only be seen as senseless and dark, a stagnant space between the voices and sounds of life and dismal silence. Corneck is the author of Existential Hell, A Screenplay Trilogy, Big Cigar, small dick, FAT, FAT, Snitch, Geezer Pleaser, and Bald Lubavitcher, all part of the same Saga. More screenplays based upon earlier characters including Bubble Catcher, Asphalt Bungle, B Fight at the KO Corral, Spy with the Beautiful Frown, and Killing Time as Time Kills will follow. Each screenplay will be written in a different genre: cat and mouse, domestic drama, high adventure, coming of age, comedy, romance, horror, tear jerker, show biz, caper, western, spy, and science fiction.

Bald

Lubavitcher Lawrence J. Corneck, 2008-01-30. Beware the Eyes of Stink. Author Takes on Oddly Enchanting World of Horror in Newest Screenplay. NEW YORK Stink Eyes. It is a look of incredible hatred, a look that if intense enough, if long enough, if delivered by a person who truly hates, can result in a curse. And it is the look given to Rolando Karputchnick by his soon to be ex wife Neptune as she lays dying in the street after a hit and run. Lawrence J. Corneck has done it again, shocking and satisfying readers with his eccentric outlandish characters and trademark brand of sinister humor in his dark new screenplay Bald Lubavitcher, published by AuthorHouse. A companion to Corneck's previous books Bald Lubavitcher follows the

outlandish and arrogant Rolando from Geezer Pleaser published by AuthorHouse who in typical Rolando fashion doesn't seem too upset about his wife's sudden expiration. His only cause for concern Neptune's departing serving of Stink Eyes. As Neptune fades out of his life a Movie Buff walks in. Not an ordinary Movie Buff writes Corneck. But a Movie Buff from Hell, a Movie Buff who assumes the persona of Major Characters in Movies and then proceeds if one is a believer in the Occult and dare one not be to enforce Neptune's Curse. Rolando sues the Movie Buff, an ex-con who owes him money and the two hot-headed men get caught up in an obsessive and unusual rivalry that involves company takeovers, a mind-altering painting, mystery and of course murder. The Movie Buff's last big role: A big surprise. Born and raised in New York, Corneck continues to love living in the Big Apple. He is also the author of Existential Hell, A Screenplay Trilogy, Big Cigar, small d k, FAT, FAT Snitch and Geezer Pleaser, all published by AuthorHouse, companions to Bald Lubavitcher. More screenplays based upon earlier characters including Mime's the Word, Bubble Catcher, Asphalt Bungle and Bitch Fight at the KO Corral will soon be available through AuthorHouse. According to Corneck, each of his screenplays will be written in a different genre: cat and mouse, domestic drama, high adventure, coming of age, comedy, romance, horror, tear jerker, show biz, caper and western. Newest Romantic Screenplay Entertains with Perverse World of Gold. Digger NEW YORK. How often one speaks of a heart of gold. How rarely one considers its monetary value. In his new book Geezer Pleaser published by AuthorHouse, Lawrence J. Corneck stuns readers yet again with his dark humor, unsavory characters, daring dialogue and unusual predicaments, but this time with the story of Asha, a woman hungry for love and money who often times confuses the two. A sexy call girl who pursues men depending on the size of their wallets, Asha begins to date two men at once, one being a reliable and responsible man named Wendell who is often neglected by Asha, the other being an outlandish and arrogant businessman named Rolando who pursues her despite his marriage to Neptune, a minor movie star. Asha knows that the love triangle is doomed from the beginning, toying with an affair with a married man and stringing along a gullible wanna-be knight, but she continues on her rollercoaster of emotions, pinning the men against each other for money, affection and a few laughs. But Asha also has a soft side that readers glimpse now and again. Brief moments during which her genuine love for both men, mostly notably the scene when Wendell bails her out of jail, occur throughout the book. She has a teenage daughter about whom she constantly worries. She cares for her elderly mother and often visits her in the retirement home where she stays. What little money she manages to scrounge from men all goes toward the welfare of those she loves, leaving next to nothing to satisfy her greed. Despite her desire for financial security, love is at the heart of her. Asha lives by the motto: I don't care whose heart is broken as long as it ain't mine. As insightful as it is unpredictable, Geezer Pleaser provides a window into an unfamiliar screwball world that still possesses the hard decisions of real life, namely the love we cannot forget and the difference just a few bucks can make. Born and raised in New York, Corneck continues to love living in

the Big Apple His first book Existential Hell A Screenplay Trilogy also available through AuthorHouse a companion to his second book Big Cigar Small d k was published in 2005 More screenplays based upon earlier characters including Bald Lubavitcher Mime s the Word and Bubble Catcher will soon be available through AuthorHouse For more information on Corneck and his books please visit www.LawrenceJCorneck.com AuthorHouse is the premier book publisher for emerging self published authors For more information please visit www.authorhouse.com **Asphalt Bungle** Lawrence J.

those we're willing to betray for fame, money, and power. Ardelle and her sister Tiffany have always been flung into competition with one another ever since their mother played a disturbing game to determine which daughter she would raise and which one she would send off to an orphanage. Though Ardelle was given away, Tiffany still remained close to her, and over time they cemented their bond, relying on one another for strength and support, and finally chasing their shared dream of becoming real actresses all the way to the mean streets of New York. But New York has other plans for the two sisters: as small-time mobster Armond latches onto Ardelle, who quickly takes on the persona of Neptune, a rising starlet of the stage, Tiffany is otherwise shunned by her sister and Armond, Ardelle's self-proclaimed agent who utilizes his fists to make things happen for Ardelle. But Tiffany finds an ally in Tan, Armond's hulking enemy. The four then vie for a role in producer Garritty Desmond's new production, *Cutthroat*, competition, and a desperate need for fame and fortune tear at these characters, driving them to extremes of success and failure. Will their greed and betrayal take its final toll? Find out in the well-paced, riveting pages of *Bubble Catcher*.

The Supreme Team: The Birth of Crack and Hip-Hop, Prince's Reign of Terror and the Supreme/50 Cent Beef Exposed Seth Ferranti, 2023-09

When the crack era jumped off in the 1980s, many street legends were born in a hail of gunfire. Business-minded and ruthless dudes seized the opportunities afforded them, and certain individuals out of the city's five boroughs became synonymous with the definition of the new era: black gangster. Drugs, murder, kidnappings, shootings, more drugs, and more murder were the rule of the day. They called it *The Game*, but it was a vicious attempt to come up by any means necessary. In the late 1980s, the mindset was *get mine or be mine*, and nobody embodied this attitude more than the Supreme Team. The Supreme Team has gone down in street legend and the lyrical lore of hip-hop and gangsta rap as one of the most vicious crews to ever emerge on the streets of New York. Their mythical and iconic status inspired hip-hop culture and rap superstars like 50 Cent, Jay-Z, Biggie, Nas, and Ja Rule. Born at the same time as crack hip-hop was heavily influenced by the drug crews that controlled New York's streets. And the cliché of art imitating life and vice versa came full circle in the saga of the Supreme Team's infamous leaders: Kenneth Supreme McGriff and Gerald Prince Miller. In the maelstrom of the mid-80s crack storm and burgeoning hip-hop scene, their influence and relevance left a lasting impression. Going from drug baron to federal prisoner to hip-hop maestro to life in prison, Supreme was involved in hip-hop and the crack trade from day one. His run stretched decades, but in the end, he fell victim to the pitfalls of the game like all before him. His nephew, the enigmatic Prince, who had a rapid, violent, and furious rise in the streets, also fell hard and fast to the tune of seven life sentences. The Supreme Team has been romanticized and glorified in hip-hop, but the truth of the matter is that most of their members are currently in prison for life or have spent decades of their prime years behind bars. This book looks at the team's climactic rise from its inception to its inevitable fall. It looks at Supreme's redemption with Murder, Inc. and his relapse back into crime. This book is the Supreme Team story in all its glory, infamy, and tragedy. It's a tale of turns, twists, and fate. Meet the gangsters from Queens where the drug game influenced the style and swagger of street

culture hip hop and gangsta rap and made the infamous cast of characters from the Supreme Team icons in the annals of urban lore

Together they set out to escape. Yet they discover this deceptive paradise is harder to leave than they ever imagined. Past Sins Sometimes sequels are underwhelming, but this one, if anything, it was even a bit better than book one. Amazon Reviewer Leaving her past in the rearview mirror, Abby and Eric have carved out a new life on an isolated island, their own personal slice of paradise. But after having her world shaken to the core, Abby must come out of hiding to get her memory back and reunite with the part of herself she left behind. Afforded the best rehab money could buy combined with her mission to become the most formidable one woman army anyone could reckon with, Abby is ready. She sets out on a path of revenge and will not rest until the man responsible pays for his crimes. Praise for the *ESCAPE* series from Reviewers. The only problem with Antocci's books is that you can't put them down. David Antocci is a masterful storyteller. The writing was so superb and the mystery good, you couldn't put the book down. This is a fast and furious tale that immerses the reader immediately into the story and doesn't let go even after the final page. Wow, David Antocci truly knows how to write. This talented man fits easily into my A list of authors along with people like Jeffery Deaver, James Patterson, Lisa Gardner, and others like them. Discovering David Antocci reminds me of the excitement I felt when I discovered Russell Blake and Michael Prescott. David Antocci has wrapped up the *Escape* Trilogy beautifully.
