

The background of the cover is a vibrant cosmic scene. In the upper left, a large, detailed Earth is visible, showing continents and clouds. To its right, a bright star or comet streaks across the dark blue space. In the upper right, a large, pinkish-purple nebula or galaxy is partially visible. The lower half of the cover is dominated by a large, translucent, blue and purple structure that resembles a cell or a biological membrane, with internal patterns of red and pink. Overlaid on this structure are several smaller, glowing, pinkish-red spheres that also contain internal patterns, suggesting molecular or cellular components.
