Uncomplicated Ruth Teal,2013-03 We had a most incredible late spring storm It began during the early evening fully displaying all the majesty and power of God More brilliant than fireworks on the 4th of July the light show danced on the big black night screen of the sky The show was complete with loud and distant rumblings of thunder followed by buckets of rain The next morning I had put everything else back in place so I headed over to the hammock to hook it back up When I picked it up and unfolded it where the wind had thrown it together I disturbed a tiny frog who had evidently gone there for cover Just as the tiny frog took his shelter in the hiding place of the wet heavy hammock we can take our shelter in the shadow of God s wings In Uncomplicated Ruth Teal takes experiences from her life and connects them to biblical concepts Ruth covers a range in topics many funny many thought provoking Throughout her day Ruth is able to find God s presence in everything Each section is its own short story so keep it in your purse for on the go reading Whether you re cozying up on the couch with a cup of tea or reading on the run Uncomplicated will lighten your spirit and inspire your day
