How To Sunday School Guide Lifeway:

A History of Florida Baptist's Sunday School L. David Cunningham, 2005-12 *The Field Guide for Small Group Leaders* Sam O'Neal, 2023-06-06

The Field Guide for Small Group Leaders provides basic training and support to help small group leaders succeed in the critical mission of leading others toward spiritual growth and transformation. The premise of serving as a small group leader sounds simple: Invite people to join you in studying the Bible. But the real world implications of that role are incredibly complex. Today's small group leaders are asked to function as semi-experts in theology, psychology, evangelism, worship, apologetics, counseling, education, and nutrition, all in service to God and His church. Most of today's group leaders receive little or no training on how to carry out this important work. They are told to Go and make disciples, then left to figure out the details on their own. Sam O'Neal, a small group leader himself, wrote *The Field Guide for Small Group Leaders* to help fellow leaders navigate this confusion and map out a plan for successful transformational and rewarding meetings. The Field Guide provides helpful information on Curriculum and planning, Learning styles, Icebreakers and learning activities, Crafting discussion questions, Worship and prayer, What to do when things don't go as planned, and more. Whether you lead a small group, life group, or Sunday school class, this guide will give you confidence and practical tools for fostering meaningful connections, genuine community, and spiritual growth that so many are desperate for.

Bridging Theory and Practice in Children's Spirituality Zondervan, 2020-04-21

Bridging Theory and Practice in Children's Spirituality explores the different contexts, methods, and situations that influence and foster a child's spirituality and faith development. Through a blend of theoretical understanding held in tension with practical application, it equips those who are in or being prepared for the varied contexts where children are spiritually formed. It represents a broad range of Christian expression, writing from a Christ-centered perspective that furthers the conversation about the next steps in children's spirituality and faith development. Moving beyond the basics of faith nurture and what makes for effective ministry, this resource deepens our understanding of the practices in children's lives by bringing together the best of theory and practice and includes contributions from Dr. Scottie May, Wheaton College; Dr. Kevin Lawson, Biola University; Dr. Erik Carter, Vanderbilt University; John Roberto, Vibrant Faith; Dr. Dana Kenamer, Pemberton; Abilene Christian University; Dr. Shirley Morgenthau, Concordia University Chicago; Dr. Holly Catterton, Allen Lipscomb University; Dr. Robert Keeley, Calvin College and Calvin Seminary; Dr. Mimi Larson, Wheaton College; Lacy Finn Borgo, Renovar Institute, and others. Pastors, professors, seminary students, and children's ministry leaders and practitioners all believe that nurturing a child's spiritual development is important. Yet often they are unsure about which current trends should be embraced. This book will help equip these people with the grounding needed to evaluate trends and with specific suggestions for moving forward. With short, accessibly written chapters, it helps pastors and leaders stay up to date with current trends and is an excellent resource for teaching in college and seminary classrooms.
