**Weapon Of Olegov. Full version** Nikolay Lakutin,2019-11-29 Time for change How few people understand what this means and what is happening under the colorful masks of people communities countries worlds It s time to reveal the cards remove the masks and expose the essence All the events organizations and characters are the author s invention Any coincidence of names surnames and positions of the characters with the real names of living or deceased persons and took place with anyone in life events is purely coincidental and completely unintentional

Beyond Time-Out Beth A. Grosshans,Janet H. Burton,2009-10-13 The covers of such magazines as Time and Newsweek have described parents as living in mayhem and madness with their children TV s Supernanny regularly captures kids wildly unbelievably out of control How did our families get to such a state Child psychologist Dr Beth Grosshans has the answer And mothers and fathers everywhere are listening In what is sure to become a much discussed blockbuster Dr Grosshans reveals why she believes nearly a half century of parenting advice with its emphasis on talking exalting children s self esteem and time outs is largely to blame for today s lack of discipline Her innovative ideas and techniques challenge this prevailing culture proving that power and authority are as essential as love and good intentions to effective parenting She persuasively explains why kids can only grow up healthy and strong when firmly led by their parents experience and better judgment and provides a clear easy five step program to follow She enables parents to look at themselves clearly and identify their child rearing style they are often shocked to discover how their own behavior has inadvertently caused an imbalance in the family s structure Reading Beyond Time Out is akin to sitting with Dr Grosshans in her clinical office and her core truths about healthy parent

child relationships are timeless      **The City and the Hospital** Daniel Skinner, Jonathan R. Wynn, Berkeley Franz, 2023-11-07

In this project sociologists Jonathan R Wynn and Berkeley Franz and political scientist Daniel Skinner set out to examine why so many communities surrounding hospitals are economically distressed and medically underserved On the one hand hospitals anchor the communities that surround them often staying in their communities for decades Hospitals craft strategies to engage with the surrounding community many of them focused on buying and hiring locally On the other hand hospitals will often only provide care to the surrounding community through emergency rooms designed to manage crises quickly reserving advanced medical care and long term treatment for those who can pay for it Many hospitals buy real estate in their neighborhoods and advocate for development programs that drive gentrification and displacement To understand how urban health care institutions work with their communities the authors address power history race and urbanity as much as the workings of the medical field The project focuses on three urban hospitals Connecticut's Hartford Hospital the crown jewel of the Hartford Healthcare system the Cleveland Clinic which coordinates with other providers for routine care while its main campus provides specialty care and the University of Colorado Hospital a rare example of an anchor institution that moved out of its urban area Through this examination the authors recast urban hospitals in a new light as not only medical institutions but also a complex urban force
