Understanding Your Placement Test Results

English Placement Test - Assessment of Written English (AWE)

Test Overview

The Assessment of Written English (AWE) is a placement test that asks you to give an example of your best writing. The AWE is required for placement in English and American Language classes. The AWE measures your writing abilities in order to place you in a writing course where you will be successful. At least two professors evaluated your paper using these four categories:

1. Organization: The logical arrangement of ideas.
2. Development: Sufficient support for your ideas.
3. Language: Use of vocabulary, grammar and punctuation.
4. Reasoning and Ideas: Logical response to the topic.

Course Placement

You will receive a "test code" indicating eligibility for a specific English writing course level. There are six possible English placement levels:

- **English as a Second Language (ESL)** - Non-credit course level; Enroll through the Community Education Division.
- **American Language (AmLa)** - Credit Course level - enroll in levels as advised.
- **LERN 81: Improving Writing** - Credit course offered through the Learning Assistance Center.
- **English 67: Writing Fundamentals** - Credit course offered through the English Department.
- **English 68: Preparation for College Writing** - Credit course offered through the English Department. Placement at this level provides for enrollment in most degree applicable and transfer level courses that have an English prerequisite.
- **English 1A: Freshman Composition** - Credit course offered through the English Department. Meets AS, AA and part of the transfer requirement in English Composition.

If you placed in ESL, AmLa, LERN 81, or English 67, you will be limited to enrolling in courses that do not have a prerequisite of English 68 eligibility or higher.
