brutal game how increasing numbers of climbers from other nations were inspired to enter the arena and how competition intensified as each remaining peak finally submitted to leave just one awaiting a winter ascent the meanest of them all K2 Winter 8000 is the story of true adventure at its most demanding **Reinhold Messner** Reinhold Messner,2014-09-19 Reveals the long view from an icon who with age has added wisdom to his list of accomplishments Messner climbing firsts the world's fourteen peaks taller than 8000 meters Everest solo Everest without supplemental oxygen Author of more than 60 books Reinhold Messner My Life at the Limit the newest book by the famed mountaineer is a conversation between Messner and interviewer Thomas H etlin an award winning German journalist It reveals a more thoughtful and conversational Messner than one finds in his previous books with the talk between Messner and H etlin covering not only the highlights of Messner's climbing career but also his treks across Tibet the Gobi and Antarctica his five year stint as a member of the European Parliament his encounter with and study of the yeti his thoughts on traditional male female roles and much more Readers learn about Messner's childhood his thoughts about eating ice cream with girls against politics mostly liberal and his technique for killing chickens sharp scissors Messner is known as one of history's greatest Himalayan mountaineers a man who pushed back the frontiers of the possible for a whole generation of climbers While the interest in My Life at the Limit is that it exposes much more of the man than his climbing career that career is still utterly remarkable and Mountaineers Books is proud to present this book which is core to our mission to audiences across North America For a limited time donors to our Legends and Lore series will receive a signed copy of My Life at the Limit Click here to learn more
