

My favourite teacher. Essay Example

A very good morning to my lecturer, Ms Sri Wahyuni Mohamed Kham and my fellow classmates.

I am Agnes from DAN 134 . My topic today is My favourite teacher. Generally a teacher is judged as good or bad according to the student temperament . But a teacher must have some basic qualities that will enthuse the student to pay their attention towards the teacher.

He is widely acclaimed as a good teacher. He does not inflict severe punishments even on towards the dull boys. His method of teaching is systematic and convincing . This makes some sense even for dull and idle students.

His open mindedness and staunch opposition to any act of injustice are the features to be admired by teachers and students as well. His popularity is never lowered in the estimation of the public also. His dealings are excellent. His knowledge in English and mathematics is vast since he is well-read and has a vast knowledge.

He has parental care and affection for all of us and he sees that we are proper in our behavior and are progressing in our studies. We enjoy his teachings and he makes his classes very interesting by citing examples from day to day happenings and from books outside our courses. He stimulates us to make our activities greater. He is always loving and affectionate and never a tyrant or a hard hearted one.

He is sincere in teaching and is hard working. He does not allow us to be lazy. He makes a simple living but his...
