Fitment Guide Makes:

A Working Costume Designer's Guide to Fit Jeanette deJong, 2023-02-22 *A Working Costume Designer's Guide to Fit* explores the concept of fit in theatrical costumes what it is how to assess it and how to achieve it Being able to assess whether a costume fits or not is a learned skill which takes practice as well as information about what the fit standards are for different types of garments Filled with detailed step by step illustrations this book provides all the knowledge readers will need in order to achieve the perfect fit for their costumes including How costumes can support actors onstage when they fit correctly How to take measurements and how to assess them How to conduct a fitting and what materials are needed How to resolve a number of issues that may arise during a fitting How to fit a mockup test garment in preparation for building a costume from scratch How to adjust a garment or mockup to fit better Chapters 8-14 also explore different categories of garments and discuss how to check them against the wearer's measurements before trying them on what the standards of fit are for each category and how to fit an existing garment This is an essential guide for students of Costume Design courses and professional costume designers of any experience level

Layout, Making it Fit Carolyn Knight, Jessica Glaser, 2003 Finding the right balance between content and space is a challenge every graphic designer faces The cookie cutter templates most layout books offer don't help because every project has a different content to space ratio Finally here is a book that gets to the heart of challenging layout design It offers general techniques for working with varying quantities of content and shows how designers can apply these techniques in their own work The book focuses on the two most difficult layout issues compacting a high volume of content onto a small area while maintaining beauty and readability and applying a small volume of content to a large space without making it look bare From posters to logos and magazines to book covers two veteran design consultants examine more than 150 projects and illustrate the methodologies and solutions that made each work This invaluable resource reveals how to make content shine in any space

The Complete Photo Guide to Perfect Fitting Sarah Veblen, 2012 Here is the ultimate reference for fitting test garments and transferring accurate adjustments to patterns No matter what size or shape you are wearing garments that fit perfectly makes you look and feel better Rather than making commonly accepted changes to a commercial pattern the method presented in this guide focuses on the way a test garment fits the body The fabric is manipulated to improve the fit and then those specific changes are made to the pattern The result patterns that fit perfectly With *The Complete Photo Guide to Perfect Fitting* you'll learn The importance of a fitting axis and how to use it during a fitting How to recognize fitting issues such as drag lines and folds How to manipulate fabric to solve common and unusual fitting problems How to transfer the fitting changes to your pattern easily Basic pattern making skills to ensure accurate alterations See the fitting process from start to finish on basic garments fitted on real people Then follow fitting solutions on different body types The lessons you learn will help you fit any body

[A Lesbian Guide to Selecting the Best-Fit College or University and Enjoying the College Years](#) Donald W. Hinrichs, 2007-05-15 My brother wrote this book

based on his own experiences and the experiences of hundreds of lesbian gay bisexual and transgender students he counseled talked to and interviewed over the course of his 40 year teaching career The confusion he experienced during college and the distress and intolerance he witnessed and heard about from students lead him to realize that some college and university environments are simply not healthy places for LGBT young people to learn and grow and to sort out their own sexuality This book documents the problems LGBT students might encounter on campus and provides advice on how LGBT students can select the best fit college or university for them Bill Hinrichs **14184: SR-CL Be Healthy!
