Lessons To Be Learnt From The World's Great Icon's Life Experiences. Bheki S.V. Ntshingila, 2016-11-23 The book is about the late Mr Nelson Mandela the unrepentant crusader and freedom fighter against the obnoxious apartheid regime in South Africa who became an instant toast of the entire world which is a reminder that in each person there is a seed of greatness expected to be discovered and to be used to make this world a better one for all who live in it instead of experiencing hatred and brutality What makes a person to succeed is not how bad she or he thinks but is high optimism thinking big willingness to learn from other's mistakes and life experiences There is a lot we can learn from Madiba's life experience and I don't doubt that the world is also learning something constructive or destructive from you If you are not constructive to others how would you be constructive to yourself Remember greatness is a phenomenon that could be associated with anyone with a positive mind Good better best never let it rest till your good is better and your better is best
