

HOW TO *Re-write* YOUR SONG

- 1 Is the concept strong?
- 2 Does your song effectively communicate that concept?
- 3 Does the structure make sense? Is it confusing or hard to follow if you've never heard it before?
- 4 Does each section sound distinct? (For instance, can a listener easily tell where a verse ends and a chorus begins?)
- 5 Are there extraneous lines or sections that could be removed?
- 6 How long is it? Is it a good length for your purposes?
- 7 Have you played it for others? Cowriters? Peers? Mentors?

Guide To Writing Songs:

Songwriting Stephen Citron, 2008-04-01 SONGWRITING is a standard data source for professional tunesmiths and their hopeful brethren It expertly conveys the process from concept to copyright with appropriate references to currently popular songs Back Stage Magazine SONGWRITING is a fine book If you know all the basics of the craft that Citron presents you ll be well on your way to penning your first hit Keyboard Magazine How to Write a Song Alexander Wright, 2015-08-18 Singing is an amazing accomplishment that almost everyone in the world wants to achieve However only a few people are actually lucky enough to successfully write a song let alone sing it Many people think that coming up with lyrics to a song is the hardest job in the world as it requires a high level of creativity which only poets master musicians can conjure I am here to tell you that this is just a stereotype and a misconception Just take a look at the mainstream musical hits for starters The book has purposefully been designed for those who want to learn how to write a song but don t know where to start from It literally packs everything there is to know about writing a great song from its structure to its thought process nothing essential is left out But the book also doesn t forget about your personal business and hectic schedule especially if you re a person who s planning on doing this part time I ve described a really simple way to write a song all in an hour with the help of simple refined techniques Quite often people tend to get bogged down in the useless details of writing a song which not only slow the entire process down but also become a reason to lose interest in the whole process Lucky for you I ve skipped all those boring essentials and have kept everything to the point so you can easily instantly apply the knowledge you learn from the book into your practical life After you ve read the book I m sure you ll feel as if a whole new side of your mind has opened up and you ll find it much easier to convert natural elements in your life to lines to a song You ll start feeling alive and after writing 2 3 songs will get that singer like personality everyone strives for Most importantly you ll be able to give your thoughts a new meaning and convert them into a song in less than an hour and even brag about it All in all the book is a complete package and will undoubtedly help you accomplish the quest for writing a song successfully **Six Steps to Songwriting Success, Revised Edition** Jason Blume, 2008-09-02 What s the secret to writing a hit song It s as simple as 1 2 3 4 5 6 Innovative practical and inspiring Six Steps to Songwriting Success presents a surefire step by step approach to mastering the elements consistently found in hit songs Author Jason Blume a songwriter with the rare distinction of having had songs on the Country Pop and R lyric melody and demo checklists and tools for self evaluation plus many other exercises that work Blume s warm humorous style features motivational anecdotes and entertaining stories of how hit songs came to be written and recorded Get Six Steps to Songwriting Success and get on the charts *Songwriting for Beginners* William Soltero, 2015-07-08 Write Your First Song in 5 Easy Lessons Have you ever wanted to put words on paper and make it into a song Have you ever had a tune stuck in your head and then added your own words to the tune just for the fun of it Well that sounds like the beginning of writing your first song Song writing is an art that takes hard work and dedication but when you

learn a few simple guidelines you can be writing song after song quickly and easily And maybe one day you will be writing like a professional The magic of songwriting is when lyrics are from the heart and convey exactly what you are hoping to say in a matter that harmonizes with relevant music *How to Write a Song* Alexander Wright,2017-02-12
