180 Days to Successful Writers Karen Donohue, Nanda N. Reddy, 2005-12-08 Enhance your students writing skills and boost their scores on standardized writing tests In today s high stakes environment standardized test scores not only gauge

student performance but are also linked to a school's status and the funding it receives. This helpful resource provides educators with a classroom-tested writing curriculum that has proven to boost student scores on standardized writing tests while helping them develop skills for lifelong writing success. The authors offer structured day-to-day lesson plans linked to national standards, easy-to-use writing tools, and carefully crafted unscripted lessons that cover a scope and follow a sequence that aims for student success. This curriculum is designed to help you become a confident writing teacher. Prepare your students for all practical applications of writing. Provide students with the analytical tools and skills they need to succeed on standardized writing tests. Accommodate students' strengths and weaknesses. Create confident readers and writers of your most reluctant students. Your students need more than writing prompts and grammar lessons to ensure they will have lifelong writing success. Finally, a way for teachers to provide quality writing instruction that allows them to meet testing demands on time and with confidence.

This 3rd Edition includes subject review material for all five RICA domains and two model practice tests.

Ten Traits of Highly Effective Principals Elaine K. McEwan, 2003-05-30. I feel that this is a book that principals will be interested in purchasing and reading. It has practical advice and relevant examples of how the advice can and has been implemented. Phillip Silsby, Principal, Belleville West High School, Belleville, IL. I could hear the voices of some of the principals who were interviewed speaking to me. The author clearly knows how to gather information and present it in a meaningful way. Bonnie Tryon, Zone 2 Director, National Association of Elementary School Principals. This is a powerful guidebook for new principals. More than that, it also contains valuable insight and examples to assist veteran principals in growing and improving professionally. Kimberly Kay Janisch, Principal, Watertown High School, Watertown, SD. How can principals raise achievement levels, energize teachers, and get results? How can you remain productive and effective in this age of accountability? Highly effective principals have strong communication skills, high levels of knowledge about teaching and learning, and the ability to provide instructional leadership. This excellent new resource provides principals, administrative teams, and educators with tremendous resources to hone these skills and traits. *Ten Traits of Highly Effective Principals* contains ideas, reflections, behaviors, habits, and stories from the trenches to guide and inspire as you seek to increase your own effectiveness. Each chapter in this resource describes an essential component of personal effectiveness. A highly effective principal is a communicator, listens, empathizes, and connects. An educator with a depth of knowledge motivates intellectual growth. An

envisioner focused on the vision of what schools can be A facilitator building strong relationships A change master flexible futuristic and realistic and can motivate change A culture builder communicating and modeling a strong viable vision An activator with motivation energy and enthusiasm to spare A producer building intellectual development and academic achievement A character builder whose values are trustworthiness respect and integrity A contributor whose priority is making contributions to the success of others Transform your school into a community of learners set high academic and behavioral expectations and create a culture where children feel special and safe

Service Learning as Pedagogy in Early Childhood Education Kelly L. Heider, 2016-10-14 This book presents the most recent theory research and practice on service learning as it relates to early childhood education It describes several service learning programs many of which were developed to better prepare pre service teachers for the challenges they face in today's early childhood classrooms including class size ever changing technology diversity high stakes testing parental involvement or the lack thereof and shrinking budgets The book shares stories of positive outcomes from pre service teachers who having participated in service learning programs report a shift in their attitudes and beliefs including an increased empathy for others a heightened sensitivity to student differences more democratic values and a greater commitment to teaching In addition the book examines the effects of service learning and positive outcomes for children and teacher educators as well Schools today face an increasing number of language learners the mainstreaming of special population students and working with a standards driven curriculum All of these present new challenges for teachers as they attempt to meet their students educational needs As a result of this new classroom environment and the educational needs they present teacher educators must now seek different approaches to prepare prospective teachers to meet these needs because the traditional approaches to teacher preparation such as coursework independent of fieldwork are no longer effective in equipping teachers to address these issues This book examines in detail the new approach of service learning

Shaping Literate Minds Linda Dorn, Carla Soffos, 2023-10-10 How can teachers create a literacy curriculum that builds processing links between reading writing and spelling knowledge In *Shaping Literate Minds* Developing Self Regulated Learners Linda J Dorn and Carla Soffos illustrate how processing theory can be applied to the everyday practices of classroom teaching If instruction emphasizes the interrelationships of these three language areas students learn how to transfer knowledge skills and strategies across literacy events This is complex theory but the authors provide clear and practical examples to support teachers as they incorporate these ideas into their classroom practices Grounded in authentic experiences from primary classrooms this book provides Explanations of processing behaviors among reading writing and spelling knowledge Observational tools that support teachers in noticing changes over time in specific literacy behaviors Guidance on creating conditions for developing self regulated learners Authentic reading and writing samples and teacher student interactions Figures and pictures that clearly describe how teachers can use assessment to inform and guide instruction with links to national standards Details for establishing a school based literacy

model that includes team meetings assessment walls high standards and a curriculum for literacyAppendixes with
reproducible assessment checklists report cards task cards for literacy corners and guided reading observation forms for
team meetingsWith a national emphasis on accountability high standards and literacy achievement Shaping Literate Minds
