

HOW TO USE THIS MANUAL

This service manual describes the service procedures for the **TRX200SE4** Scooter.

Follow the Maintenance Schedule (Section 5) recommendations to ensure that the vehicle is in good operating condition and the emission levels are within the standards set by the California Air Resources Board.

Performing the first scheduled maintenance is very important. It compensates for the initial wear that occurs during the break-in period.

Sections 1 and 2 apply to the whole ATV. Section 3 illustrates procedures for removal/installation of components that may be required to perform service described in the following sections.

Section 4 through 19 describe parts of the vehicle, grouped according to location.

Find the section you need on this page, then turn to the table of contents on the first page of the section.

Most sections start with an assembly or system illustration, service information and troubleshooting for the section. The subsequent pages give detailed procedures.

If you don't know the cause of the trouble, go to section 21, Troubleshooting.

Your safety, and the safety of others, is very important. To help you make informed decisions we have provided safety messages and other information throughout this manual. Of course, it is not practical or possible to warn you about all the hazards associated with servicing this vehicle. You must use your own good judgement. You will find important safety information in a variety of forms including:

- Safety Labels - on the vehicle
- Safety Messages - provided by a safety alert symbol,  and one of three signal words, DANGER, WARNING, or CAUTION. These signal words mean:

You **WILL** be KILLED or SERIOUSLY HURT if you don't follow instructions.

You **CAN** be KILLED or SERIOUSLY HURT if you don't follow instructions.

You **CAN** be HURT if you don't follow instructions.

- Instructions - how to service this vehicle correctly and safely.

As you read this manual, you will find information that is provided by a **NOTE** symbol. The purpose of this message is to help prevent damage to your vehicle, other property, or the environment.
