**Making Sense of Epidemiological Research** Katherine W. Reeves, 2025-07-08 Using clear language and real world examples this accessible textbook provides a concise guide to the understanding and critical evaluation of journal articles in epidemiology The book offers a step by step process beginning with how to find epidemiologic studies on a given topic It then shows readers how to identify and assess the key features of a study s design the methods of data collection and analysis the conclusions that can be drawn and finally the questions that remain Including a chapter exploring the misuse of artificial intelligence this complete companion shows students not only how to evaluate individual studies but also to synthesize findings across multiple studies on a single topic as well as guidance on writing a critique of a given article Written by an experienced instructor with over 15 years of experience teaching and including activities so that readers can practice the skills they learn this will be essential reading for any student of epidemiology public health and medicine *Writing Theology Well* Lucretia B. Yaghjian, 2006-11-24 In its creative integration of the disciplines of writing rhetoric and theology Writing Theology Well provides a standard text for theological educators engaged in the teaching and mentoring of writing across the theological curriculum As a theological rhetoric it will also encourage excellence in theological writing in the public domain by helping to equip students for their wider vocations as writers preachers and communicators in a variety of ministerial and professional contexts **How Students Write: A Linguistic Analysis** Laura Louise Aull, 2020-04-01 Broad generalizations about people today are a familiar feature of first year student writing How Students Write brings a fresh perspective to this perennial observation using corpus linguistics techniques This study analyzes sentence level patterns in student writing to develop an understanding of how students present evidence draw connections between ideas relate to their readers and ultimately learn to construct knowledge in their writing Drawing on both first year and upper level student writing the book examines the discourse of students at different points in their education It also distinguishes between argumentative and analytic essays to explore the way school genres and assignments shape students choices In focusing on sentence level features such as hedges perhaps and boosters definitely this study shows how such rhetorical choices work together to open or close opportunities for thoughtful exchanges of ideas Attention to these features can help instructors foster civil discourse design effective assignments and expose and question norms of higher education *The Critical Practice of Film* Elspeth Kydd, 2017-09-16 The Critical Practice of Film introduces film studies and production through the integration of criticism theory and practice Its approach is that of critical practice a process that explores the integration and intersection between the critical analysis of films and the practical aspects of filmmaking In other words this book is both an introduction to the ways in which we watch films as well as an introduction to how films are created The more you know about how films are made the more you can appreciate the artistry involved in a film Author Elspeth kydd combines explorations of basic technical and aesthetic principles with extended analyses drawn from both classic and contemporary

Hollywood and other world cinemas including Battleship Potemkin 1927 Un Chien Andalou 1929 Stagecoach 1939 Mildred Pierce 1945 Notorious 1946 Letter from an Unknown Woman 1948 Gentlemen Prefer Blondes 1953 Breathless 1959 Memories of Underdevelopment 1968 Star Wars 1977 Raiders of the Lost Ark 1981 Distant Voices Still Lives 1988 The Matrix 1999 Amores Perros 2000 Gosford Park 2001 and The Lord of the Rings trilogy 2001-3 Also included is a range of exercises designed to stimulate critical and analytical thought and help to demystify the process of creative filmmaking. Assignments range in scale from simple storyboarding and narrative development exercises that may be explored with minimal technology to more complex video projects that can be adapted to suit varying levels of technical skill. The Critical Practice of Film provides an accessible introduction to the theory and practice of film studies integrating creative practice with critical and theoretical engagement to guide students towards an engaged form of creative expression and an active role as reviewer and critic. Beautifully presented, this ground-breaking text offers all students an integrated understanding of film criticism and production. Elspeth Kydd is a Senior Lecturer in Film Studies and Video Production at the University of the West of England. She has taught, researched and published in film and television studies for nearly twenty years as well as being an active documentary videomaker. This book developed from teaching integrated theory-practice film courses at universities in the US and UK.

Writing For Academic Purpose Eny Maulita Purnama Sari, S.Pd.I., M.Pd., Nurul Aini, S.Pd., M.Pd., This handout can be one of instructional textbooks used in the teaching of writing of English in Indonesia. It aims to provide a framework for teaching and learning English based on blended learning. All three chapters allow the students to practice academic writing by blended learning in an e-learning system which help them to develop their academic writing skills. By having this skill they can construct and establish academic writing correctly. It also enables them to study genre autonomously. The strengths of this handout such as effectiveness of using blended learning in the writing for academic subject, autonomous learning and practice make a better academic writing. Then this handout was developed based on the students' need. In this handout, students not only found genre but also found characteristics, ways and the rules of language in academic writing. Here, the writers would like to thank validators and students who give inputs and suggestions in improving the process of developing materials and models.

**Teaching Creative Writing**, 1974      **How To Write A Better Thesis: 3rd Edition** Paul Gruba, Justin Zobel, David Evans, 2011-12-01 Revised, updated and more useful than ever. If you are writing a thesis, whether edging towards it, wrestling with it or just plain stuck, this sensible, thoroughly practical book is bound to help. As in the hugely successful previous editions, the emphasis is still firmly on structure. Having supervised countless postgraduate students and seen all the pitfalls, the authors are convinced that clear and logical structure is the key to a good thesis. Concrete examples of common structural problems are given and offer numerous devices, tricks and tests by which to avoid them. You may be one of the many researchers who has yet to discover just how much computer software can do for you. This book spells it out clearly and offers checklists to help you stay on track.
