Museum Exhibitions and Suspense Ariane Karbe, 2022-12-29 Museum Exhibitions and Suspense takes insights from screenwriting to revolutionise our understanding of exhibition curating Despite all genuine efforts to reach broader audiences museums persistently fear risking their credibility by becoming too popular Thus the enormous potential to learn from other storytelling forms more experienced in the field of entertainment remains essentially unexploited Museum Exhibitions and Suspense unlocks this creative potential A comparative in depth analysis of three classical Hollywood films and three cultural historical exhibitions demonstrates how dramatic suspense techniques can be applied to exhibitions These techniques must be adapted to the typical epic character of the exhibition medium By differentiating between mild and wild suspense the book provides a new understanding of the nature of suspense itself Museum Exhibitions and Suspense addresses academics and students in the fields of museum studies gallery studies and heritage studies interested in how exhibitions function and in how to achieve dramaturgical effects like suspense It also appeals to scholars and students within film studies who want to gain a deeper understanding of suspense It provides an important resource for curators and other museum practitioners and scriptwriters who intend to create stories with a wide audience appeal

The Routledge Companion to Museum Ethics Janet Marstine, 2012-05-23 Routledge Companion to Museum Ethics is a theoretically informed reconceptualization of museum ethics discourse as a dynamic social practice central to the project of creating change in the museum Through twenty seven chapters by an international and interdisciplinary group of academics and practitioners it explores contemporary museum ethics as an opportunity for growth rather than a burden of compliance The volume represents diverse strands in museum activity from exhibitions to marketing as ethics is embedded in all areas of the museum sector What the contributions share is an understanding of the contingent nature of museum ethics in the twenty first century its relations with complex economic social political and technological forces and its fluid ever shifting sensibility The volume examines contemporary museum ethics through the prism of those disciplines and methods that have shaped it most It argues for a museum ethics discourse defined by social responsibility radical transparency and shared guardianship of heritage And it demonstrates the moral agency of museums the concept that museum ethics is more than the personal and professional ethics of individuals and concerns the capacity of institutions to generate self reflective and activist practice

The Second World War in the Twenty-First-Century Museum Stephan Jaeger, 2020-02-24 The Second World War is omnipresent in contemporary memory debates As the war fades from living memory this study is the first to systematically analyze how Second World War museums allow prototypical visitors to comprehend and experience the past It analyzes twelve permanent exhibitions in Europe and North America including the Bundeswehr Military History Museum in Dresden the Museum of the Second World War in Gdańsk the House of European History in Brussels the Imperial War Museums in London and Manchester and the National WWII Museum in New Orleans in order to show how museums reflect and shape cultural memory as well as their

cognitive ethical emotional and aesthetic potential and effects This includes a discussion of representations of events such as the Holocaust and air warfare In relation to narrative memory and experience the study develops the concept of experientiality on a sliding scale between mimetic and structural forms which provides a new textual spatial method for reading exhibitions and understanding the experiences of historical individuals and collectives It is supplemented by concepts like transnational memory empathy and encouraging critical thinking through difficult knowledge

Narrative Environments and Experience Design Tricia Austin, 2020-04-15 This book argues narrative people and place are inseparable and pursues the consequences of this insight through the design of narrative environments This is a new and distinct area of practice that weaves together and extends narrative theory spatial theory and design theory Examples of narrative spaces such as exhibitions brand experiences urban design and socially engaged participatory interventions in the public realm are explored to show how space acts as a medium of communication through a synthesis of materials structures and technologies and how particular social behaviours are reproduced or critiqued through spatial narratives This book will be of interest to scholars in design studies urban studies architecture new materialism and design practitioners in the creative industries

International Perspectives on Museum Management Darko Babic, 2024-07-25 International Perspectives on Museum Management is the first volume of the ICOM Museum Practice series Exploring contemporary practices in the field of museum management the book demonstrates how strategic vision and effective leadership can enable museums to fulfil their varied roles and empower staff to achieve their individual and collective objectives Gathering together contributions that shed light on key aspects of running a museum in different parts of the world the volume examines a wide range of topical issues from a management perspective Chapters within the volume focus on governance and operations communication and marketing accessibility and community engagement the decline in public funding sustainability and risk management and planning a new museum or a renewal As a whole the book demonstrates that competent and creative museum management is vital to museums ability to survive and thrive in the face of decreased investment in culture and shifting expectations on the roles that museums should play within society Containing insights from respected museum professionals around the world and focusing on topical issues International Perspectives on Museum Management will be essential reading for museum practitioners working in all types and sizes of museum The book will also be of great interest to students and academics who have an interest in museum management The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
