

Love Story Script

What can you say about a 25-year-old girl who died?

That she was beautiful and brilliant?

That she loved Mozart and Bach?

The Beatles?

And me?

- Do you have this book? - You have your own library.

- Answer my question. - Answer mine first.

We're allowed to use the Radcliffe library.

I'm not talking legality, I'm talking ethics.

Harvard's got five million books, Radcliffe a few thousand.

I only want one. I've got an hour exam tomorrow, damn it!

Please watch your profanity, preppy.

Why do you think I went to prep school?

- You look stupid and rich. - Actually, I'm smart and poor.

No, I'm smart and poor.

- Why are you so smart? - I won't have coffee with you.

- I wouldn't ask you. - That's what makes you stupid.

I'm tired of playing your game. You are a supreme Radcliffe smart-ass.

The best. You put down anything in pants.

Backstory Patrick McGilligan, 1986 Interviews with

screenwriters **Prewriting Your Screenplay** Michael Tabb, 2018-07-16 Prewriting Your Screenplay cements all the bricks of a story's foundations together and forms a single organic story growing technique starting with a blank slate. It shows writers how to design each element so that they perfectly interlock together like pieces of a puzzle creating a stronger story foundation that does not leave gaps and holes for readers to find. This construction process is performed one piece at a time, one character at a time, building and incorporating each element into the whole. The book provides a clear cut set of lessons that teaches how to construct that story base around concepts as individual as the writer's personal opinions, helping to foster an individual writer's voice. It also features end of chapter exercises that offer step by step guidance in applying each lesson, providing screenwriters with a concrete approach to building a strong foundation for a screenplay. This is the quintessential book for all writers taking their first steps towards developing a screenplay from nothing, getting them over that first monumental hump, resulting in a well formulated story concept that is cohesive and professional. *Alternative Scriptwriting* Ken Dancyger, Jeff Rush, 2012-08-21 *Alternative Scriptwriting* 4E is an insightful and inspiring book on screenwriting concerned with challenging you to take creative risks with genre, tone, character and structure. Concerned with exploring alternative approaches beyond the traditional three act structure, *Alternative Scriptwriting* first defines the conventional approach, suggests alternatives, then provides case studies. These contemporary examples and case studies demonstrate what works, what doesn't, and why. Because the film industry as well as the public demand greater and greater creativity, one must go beyond the traditional three act restorative and predictable plot to test your limits and break new creative ground. Rather than teaching writing in a tired formulaic manner, this book elevates the subject and provides inspiration to reach new creative heights. *Anthology of Dramas and Scripts for all Seasons and Reasons* Eulonda Dreher, 2022-08-05 *Anthology of Dramas and Scripts for all Seasons and Reasons* is a collection of dramas, skits, readings and programs which can be used by churches, small groups or individuals for seasonal presentations, general promotions, instructional guides and programs or for reading enjoyment.
