a cache of wartime diaries written by her mother she had no idea that she would be brought face to face with a character utterly different from the troubled woman who had become so reliant on her Now on the pages before her Segrave encountered Anne Hamilton Grace a young woman who had grown up in immense privilege and luxury but who leapt at the first opportunity to join the war effort Through determination she excelled in the world of secret intelligence Leaving the world of finishing school and hunt balls behind her Anne s journey took her to Hut 3 at Bletchley Park to Bomber Command in Grantham and finally to a newly liberated Germany In *The Girl From Station X* Segrave opens the pages of her mother s diaries to us and recreates her life both before and after the war At once a vivid recreation of a dramatic era and a powerful portrait of a mother daughter relationship this is an original and affecting work about what it means to come to know someone through their writing about how Anne unwittingly found a way to link her life with her daughter s decades after they had given up trying to communicate
