 best known automotive expert invites another driver to come aboard After forty six years and almost two million copies sold
 Phil Edmonston is joined by a co pilot for the Lemon Aid Guide George Iny along with the editors of the Automobile
 Protection Association The 2017 Lemon Aid has everything an encyclopedic lineup of the best and worst cars trucks and
 SUVs sold since 2007 secret warranties and tips on the art of complaining to help you get your money back and new car
 buying tips that will save you tons of money by revealing the inflated cost of fancy and frivolous add ons Lemon Aid is an
 essential guide for careful buyers and long time gear heads who don't know as much as they think The Karmic Car Cycles
 Cliff Livingstone, 2009-08 The universally themed book titled The Karmic Car Cycles is a hilarious romp of car related
 misadventures by the author protagonist Cliff R Livingstone The book hits the ground running and is still running at the end
 Having led one of the wackiest most unusual and so far unlikely lives on the planet the author romps through these awesome
 and oftentimes unbelievable Karmic Car adventures at the rate of about ten laughs a second The author proposes that his car
 misadventures occurred because he had a Karmic Car Cycle going on He then builds the case through a series of hilarious
 vignettes that work in their right own over and above the narrative In writing it is hard to find an approach that stands out
 from the crowd But this is what Livingstone has done with this distinctive work which lives up to its billing as a non stop
 romp morning noon and night The writing style is uproariously funny conversational wry even whimsical at times and is
 never less than totally entertaining The book is anything but your standard bowl of cornflakes Writing is about addressing
 other people Mr Livingstone has accurately identified the things about his life's experiences which could be of interest to
 others This gives the Karmic Car Cycles a more universal appeal than an average straight forward narrative novel might offer
 The book also has a universal appeal which everyone can enjoy in the sense that while located mainly in Canada the
 misadventures could just as easily have happened to anybody anywhere in the world whether rich poor male female sane
 zany or just plain still in their boots Likewise the author's self imposed criterion that all included material be entertaining
 and or thought provoking for the benefit of others is a rule from which many writers could benefit **Catalog of Copyright
