Yes, there are. Allow me to introduce to you one extraordinary yet simple natural remedy—Activated medicinal charcoal. What is it? We drink water filtered by it, breath are scrubbed with it, eat food purified through it, wear clothes made with it, preserve things in it, go to war with it, enjoy hundreds of dishes cooked by it, we move mountains with it, we make the night sky sparkle with it, grow our food and flowers in it, we take it with us to the bottom of the deepest oceans and out into space, swim in water washed with it, draw our inspirations with it, record man's history, dipped in it, and then we call upon it to clean up many of our environmental mistakes. Not least and not last, medicinal charcoal plays an increasingly significant role in maintaining, restoring, and enhancing man's level of health. No wonder we naturally warm up to it!
