Legacy Of A Divided Nation Mushirul Hasan,2019-03-13 This book is regarded as a personal manifesto a statement through the history of partition and its aftermath of the values which India s Muslims should cherish and of the national priorities they should promote It provides the reference point for understanding India s Partition and its legacy **India's Foreign Relations, 1947-2007** Jayanta Kumar Ray,2013-04-03 This book analyses India s relations with its neighbours China Pakistan Bangladesh Sri Lanka and other world powers USA UK and Russia over a span of 60 years It traces the roots of independent India s foreign policy from the Partition and its fallout its nascent years under Nehru and non alignment to the influence of economic liberalization and globalization The volume delves into the underlying reasons of persistent problems confronting India s foreign policy makers as well as foreign policy interface with defence and domestic policies This book will be indispensable to students scholars and teachers of South Asian studies international relations political science and modern Indian history *Spying in South Asia* Paul M. McGarr,2024-09-12 In this first comprehensive history of India s secret Cold War Paul McGarr tells the story of Indian politicians human rights activists and journalists as they fought against or collaborated with members of the British and US intelligence services The interventions of these agents have had a significant and enduring impact on the political and social fabric of South Asia The spectre of a foreign hand or external intelligence activity real and imagined has occupied a prominent place in India s political discourse journalism and cultural production *Spying in South Asia* probes the nexus between intelligence and statecraft in South Asia and the relationships between agencies and governments forged to promote democracy McGarr asks why in contrast to Western assumptions about surveillance South Asians associate intelligence with covert action grand conspiracy and justifications for repression In doing so he uncovers a fifty year battle for hearts and minds in the Indian subcontinent **Nation and Its Modes of Oppressions in South Asia** Sajal Nag,2022-12-30 This volume examines nationhood as a concept and how it became the basis of political discourse in South Asia It studies the emergence of nationalism in modern states as a powerful omnipotent and omnipresent form of political identity in the nineteenth and twentieth centuries This book examines the idea of a nation as it originated in medieval Europe as an unending process of othering individuals groups and communities to establish its hegemony exclusivity and absolute power within a political discourse It sheds light on how these new political frameworks in the name of nationalism resulted in conflicts and bloodshed It unleashed politics of retribution and facilitated majoritarianism minority persecution and collective authoritarianism which devastated individuals and collectivities Further the author also discusses various prominent ideas and contemporary theories on nationalism alongside pivotal socio cultural factors which have significantly shaped the formation of modern nation states and their politics Topical and nuanced this book will be indispensable to researchers scholars and readers interested in nationalism political science modern history political theory political philosophy political sociology political history post colonial studies and South Asia studies **The End of the**

British Empire in the Middle East, 1952--1971 Wm. Roger Louis, 2025-03-28 A comprehensive account of the decline and fall of the British Empire in the Middle East from 1952 to 1971

India in South Asia Sinderpal Singh, 2013-09-02 South Asia is one of the most volatile regions of the world and India's complex democratic political system impinges on its relations with its South Asian neighbours. Focusing on this relationship, this book explores the extent to which domestic politics affect a country's foreign policy. The book argues that particular continuities and disjunctures in Indian foreign policy are linked to the way in which Indian elites articulated Indian identity in response to the needs of domestic politics. The manner in which these state elites conceive India's region and regional role depends on their need to stay in tune with domestic identity politics. Such exigencies have important implications for Indian foreign policy in South Asia. Analysing India's foreign policy through the lens of competing domestic visions at three different historical eras in India's independent history, the book provides a framework for studying India's developing nationhood on the basis of these ideas of India. This approach allows for a deeper and a more nuanced interpretation of the motives for India's foreign policy choices than the traditional realist or neo liberal framework and provides a useful contribution to South Asian Studies, Politics and International Studies.

A Substitute for Victory Rosemary Foot, 2018-10-18 After more than two years of bitter negotiations during which combatants and civilians continued to suffer casualties, the Korean armistice was concluded in July 1953. Focusing on the Americans' formulation of negotiating positions on their attempts to coordinate political goals with military tactics, Rosemary Foot here charts the tortuous path to peace, offers a new explanation for the agonizing length of the talks. She also takes into account the role of the Western allies, the Indian, South Korean, North Korean, Chinese governments as she examines the complex international setting in which the armistice took place.

India's Great Power Politics Jo Inge Bekkevold, S. Kalyanaraman, 2020-12-22 This book examines India's foreign and defence policy changes in response to China's growing economic and military power and increased footprint across the Indo Pacific. It further explores India's role in the rivalry between China and the United States. The book looks at the strategic importance of the Indian Ocean Region in the Indo Pacific geopolitical landscape and how India is managing China's rise by combining economic cooperation with a wide set of balancing strategies. The authors in this book critically analyse the various tools of Indian foreign policy, including defence posture, security alignments and soft power diplomacy among others, and discuss the future trajectory of India's foreign policy and the factors which will determine the balance of power in the region and the potential risks involved. The book provides detailed insights into the multifaceted and complex relationship between India and China and will be of great interest to researchers and students of international relations, Asian studies, political science and economics. It will also be useful for policymakers, journalists and think tanks interested in the India-China relationship.

The Difficult Politics of Peace Christopher Clary, 2022 A sweeping and theoretically original analysis of the India-Pakistan rivalry from 1947 to the present. Since their mutual independence in 1947, India and Pakistan have been engaged in a fierce rivalry. Even today, both rivals

continue to devote enormous resources to their military competition even as they face other pressing challenges at home and abroad Why and when do rival states pursue conflict or cooperation In *The Difficult Politics of Peace* Christopher Clary provides a systematic examination of war making and peace building in the India Pakistan rivalry from 1947 to the present Drawing upon new evidence from recently declassified documents and policymaker interviews the book traces India and Pakistan s complex history to explain patterns in their enduring rivalry and argues that domestic politics have often overshadowed strategic interests It shows that Pakistan s dangerous civil military relationship and India s fractious coalition politics have frequently stymied leaders that attempted to build a more durable peace between the South Asian rivals In so doing Clary offers a revised understanding of the causes of war and peace that brings difficult and sometimes dangerous domestic politics to the forefront

Forged in Crisis Rudra Chaudhuri,2014-03-30 Rudra Chaudhuri s book examines a series of crises that led to far reaching changes in India s approach to the United States defining the contours of what is arguably the imperative relationship between America and the global South *Forged in Crisis* provides a fresh interpretation of India s advance in foreign affairs under the stewardship of Prime Ministers Jawaharlal Nehru Indira Gandhi Atal Bihari Vajpayee and finally Manmohan Singh It reveals the complex and distinctive manner in which India sought to pursue at once material interests and ideas while meticulously challenging the shakier and largely untested reading of non alignment palpable in most works on Indian foreign policy and international relations From the Korean War in 1950 to the considered debate within India on sending troops to Iraq in 2003 and from the loss of territory to China and the subsequent talks on Kashmir with Pakistan in 1962-63 to the signing of a civil nuclear agreement with Washington in 2008 Chaudhuri maps Indian negotiating styles and behaviour and how these shaped and informed decisions vital to its strategic interest in turn redefining its relationship with the United States

Votes and Violence Steven Wilkinson,2006-11-23 Why do ethnic riots break out when and where they do Why do some governments try to prevent ethnic riots while others do nothing or even participate in the violence In this book Steven I Wilkinson uses collected data on Hindu Muslim riots socio economic factors and competitive politics in India to test his theory that riots are fomented in order to win elections and that governments decide whether to stop them or not based on the likely electoral cost of doing so He finds that electoral factors account for most of the state level variation in Hindu Muslim riots explaining for example why riots took place in Gujarat in 2002 but not in many other states where militants tried to foment violence The general electoral theory he develops for India is extended to Ireland Malaysia and Romania as Wilkinson shows that similar political factors motivate ethnic violence in many different countries

Jawaharlal Nehru Sarvepalli Gopal,2014-11-07 The third and final volume of Sarvepalli Gopal s biography of Jawaharlal Nehru covers the last eight years of his life and Prime Ministership It deals with his efforts to sustain economic and social advance of the Indian people and not to lose hold of the principles of his foreign policy even while relations with China deteriorated culminating the large scale aggression in both the western and eastern sections of the long boundary

between the two countries India After Gandhi Ramachandra Guha, 2011-02-10 Born against a background of privation and civil war divided along lines of caste class language and religion independent India emerged somehow as a united and democratic country Ramachandra Guha's hugely acclaimed book tells the full story the pain and the struggle the humiliations and the glories of the world's largest and least likely democracy While India is sometimes the most exasperating country in the world it is also the most interesting Ramachandra Guha writes compellingly of the myriad protests and conflicts that have peppered the history of free India Moving between history and biography the story of modern India is peopled with extraordinary characters Guha gives fresh insights into the lives and public careers of those long serving Prime Ministers Jawaharlal Nehru and Indira Gandhi But the book also writes with feeling and sensitivity about lesser known though not necessarily less important Indians peasants tribals women workers and musicians Massively researched and elegantly written *India After Gandhi* is a remarkable account of India's rebirth and a work already hailed as a masterpiece of single volume history This tenth anniversary edition published to coincide with seventy years of India's independence is revised and expanded to bring the narrative up to the present *Handbook of Asian Security Studies* Sumit Ganguly, Andrew

Scobell, Joseph Liow, 2009 **International Relations in India: Theorising the region and nation** Kanti P. Bajpai, Siddharth Mallavarapu, 2005 The Companion Volume To International Relations In India Bringing Theory Back Home Deals With The Interplay Between Identities And Foreign Policy Borders And Notions Of Territoriality And Critical Geopolitics The Book Also Makes Room For New Interpretations Of Conventional Areas Of International Relations Such As Power And Violence Thereby Creating The Conditions For A Sustained And Serious Theoretical Conversation Of The Discipline In India Of Particular Relevance Are Contributions In The Field Of International Political Economy An Area Of Traditional Neglect In The South Asian Setting **A Select Bibliography of Periodical Literature on India and**

Pakistan, 1947-70: India Pervaiz Iqbal Cheema, 1976 Soviet-Pakistan Relations and Post-Soviet Dynamics, 1947-92 Hafeez Malik, 2016-07-27 This book deserves to be read carefully by scholars and laymen of foreign policy dealing with the former Soviet Union Russia and South Asia and particularly by the political leaders of India and Pakistan The book is a multi dimensional analysis of a Soviet American rivalry b Soviet determination to expand in the direction of South Asia and the Gulf c the regional dynamics of the Middle East most especially Iran Afghanistan and China the major power in Asia

Jawaharlal Nehru's Letters to Chief Ministers Jawaharlal Nehru, 2025-04-24 The third volume of Jawaharlal Nehru's Letters to Chief Ministers spans from mid 1952 to mid 1954 They delve into the nation building efforts of a young republic Addressing challenges in planning land reforms community development and administration as well as the integration of the North east frontier these writings reflect Nehru's vision and the complexities of shaping India's future India and Israel Jayant Prasad, S. Samuel C. Rajiv, 2020-06-29 India and Israel contextualises the varied aspects of the partnership between India and Israel with a specific focus on the dominant driver the defence engagement between the two sides forged in the

context of mutual complementarities India's broad spectrum relationship with Israel transformed into a strategic partnership in 2017 a quarter century after the establishment of full diplomatic ties India and Israel have successfully steered the relationship forward despite the baggage of fraught and convulsive neighbourhoods The contributors to this volume include policy makers and military leaders who played an important role in the growth of the relationship as well as academics who have closely followed its growth shedding important light on the transformation of the India Israel bilateral relationship into a strategic partnership over the course of past tumultuous 25 years Chapters highlight Israel's increasing engagement with India's diverse federal polity the de hyphenation of the India Israel ties from India's relationship with Palestine as well as the role played by US non state pro Israel US based interest groups and sub state US Congressmen actors in shaping India Israel ties The concluding chapter examines Israel's relationship with the Peoples Republic of China PRC given that both the PRC and India established diplomatic ties with Israel almost simultaneously India and Israel will be of great interest to scholars of strategic studies international relations Middle Eastern Studies Asian Studies as well as those working in diplomacy government and the military The chapters were originally published as a special issue of Strategic Analysis

An Eye for Eternity Mark McKenna, 2011 Manning Clark was a complex demanding and brilliant man Mark McKenna's compelling biography of this giant of Australia's cultural landscape is informed by his reading of Clark's extensive private letters journals and diaries many that have never been read before An Eye for Eternity paints a sweeping portrait of the man who gave Australians the signature account of their own history It tells of his friendships with Patrick White and Sidney Nolan It details an urgent and dynamic marriage ripped apart at times by Clark's constant need for extramarital romantic love A son who wrote letters to his dead parents A historian who placed narrative ahead of facts A doubter who flirted with Catholicism A controversial public figure who marked slights and criticisms with deeply held grudges To understand Clark's life is to understand twentieth century Australia And it raises fundamental questions about the craft of biography When are letters too personal comments too hurtful and insights too private to publish Clark incessantly documented his life leaving notes to the biographers he knew would pursue his story He had a deep need to be remembered and this book means he will now be understood in an unforgettable way Winner of the Prime Minister's Literary Award for Non Fiction 2012 Winner of the Non Fiction Book award at the Victorian Premier's Literary Awards 2012 Winner of the Non Fiction Book award at the Queensland Premier's Literary Awards 2012 Winner of the Douglas Stewart Prize at the NSW Premier's Literary Awards 2012 Winner of the Adelaide Festival Awards for Literature 2012 Non Fiction award 2012 Finalist for the 2011 Walkley Book awards Shortlisted for the 2011 Manning Clark House National Cultural Award

The Enigmatic Realm of **Jawaharlal Nehru Vol 2 1947 1956 1947 56 Vol 2**: Unleashing the Language is Inner Magic
