About the Novel: Lord of the Flies, written by Nobel Prize winner William Golding, is a story about a group of boys stranded on a deserted island who must establish order amongst themselves. Shortly after crashing onto a deserted island, a group of pre-adolescent boys form a community, electing Ralph to be their leader. As his first act, Ralph proclaims the boys will have fun and keep the signal fire going. All is well until thirst for power draws one boy to form his own tribe of savages. Armed with the fear of a fictitious beast, this group of boys descend into further savagery with sacrifice and death. The story reaches its climax as the beast is revealed to be within each boy's heart, and Ralph is forced to flee for his survival.
