

Topics for World History DEIA Module 1

1. One thing I learned in this module is that slavery was started because the demand for cotton and tobacco increased. Since the indentured servants contracts were over, the colonists needed people to harvest the crops. A bonus for them was that they did not have to be payed.
2. Another thing I learned in this module is that alpine ecosystems are found in high mountain ranges, deciduous forest are found in the eastern United States, and tundra ecosystems are found in Alaska and Northern Canada.
3. In this module I also learned about French missionaries who were sent to the Mississippi River Valley to try and convert Native Americans to Catholicism without trying changing their customs.
