Essay topics

The following are topics from which you may choose to write your Gatsby essay. Choose one topic and shape your essay around a thesis that you create. Remember, your thesis is a statement, and should be an answer to the question you are trying to answer.

2. Is Nick a reliable or unreliable narrator? How does his point of view colour the reality of the novel, and what facts or occurrences would he have a vested interest in obscuring?
3. Fitzgerald's story shows the clear delineations between different strata of society: new money, old money, some money, and no money. How are readers to interpret his comments on each of these groups? Does he hold any one group above the other? Are there ways in which people of all groups are alike?
4. Discuss the novel's theme that the American Dream is corrupted by the desire for wealth. What does the novel and its theme offer about the American identity?
5. Who is most responsible for Gatsby's death?
6. Is what Gatsby feels for Daisy love, obsession, affection, or accumulation/objectification? What is Fitzgerald's message here? Consider discussing whether or not Gatsby can really love, given his characteristics.
7. Compare and contrast the major female characters in the novel: Daisy, Jordan, and Myrtle. How does each act towards men? What are their motivations/goals/desires/values? How are they treated by men (including the narrator/author)?
8. Discuss Fitzgerald's use of symbolism (this is a large topic that must be significantly narrowed - such as focusing on one symbol and
