debates and a glimpse of the subject's expanding horizons. Debates considered include what constitutes knowledge in geography, constructing the curriculum, how do we link assessment to making progress in geography, the contribution of fieldwork and outdoor experiences, technology and media, how we use Geographical Information, how geography contributes to global learning, sustainable development and geography education. The comprehensive, rigorous coverage of these key issues, together with carefully annotated selected further reading, reflective questions and a range of specific web-based resources, will help support, shape your own research and writing. **Debates in Geography Education** is a source of knowledge, experience and debate that will be essential reading for all students studying at Masters level, practising teachers who want to develop a better understanding of the issues that shape their practice and Education Studies students considering in-depth subject teaching.

Know it All, Find it Fast for Youth Librarians and Teachers Christina Donnelly, 2012. A brand new version of the best-selling enquiry desk reference text *Know it All Find it Fast*, specifically designed for those working with children and young people in schools, public libraries and at home. Including an invaluable overview of the education system and the school curriculum, as well as a comprehensive listing of useful resources by topic, this A-Z covers school subjects from science and maths to reading and literacy and more general themes such as children's health, wellbeing and hobbies. Each topic is broken down into useful sections that will help to guide your response. Typical questions outline common queries such as 'Have you got any information about volcanoes?' Considerations provides useful hints and tips, i.e. 'Geography now encompasses not only physical and human geography but also environmental geography, social geography, geology and geopolitics'. Where to look lists relevant printed, digital and online resources with useful annotations explaining their scope and strengths. **Readership:** This is the must-have quick reference tool arming librarians and teachers with the knowledge to deal with any queries thrown at them from children and young people as well as their parents and caregivers. It will also be a handy reference for parents and anyone working with children and young people in other organizations such as homework clubs and youth workers.
