BOARD QUESTION PAPER SET A

SECTION - A : READING SKILL, GRAMMAR, VOCABULARY, NOTE-MAKING AND SUMMARY

Q. 1 : (A) Read the following Extract and answer the questions given below : (11) (15)

Gandhiji said that the greatest lessons in life are learnt from children, not from learned men. A child will fearlessly try before giving up. As adults, fearing failure, we give up before we try.

A child is inherently curious about the world, about relationships, about wanting to understand how things work. As adults, our blinkered and conditioned self prevents us from truly exploring without prejudice. For a child, what she does is meaningful in its own right. As an adult, we usually link every action to an external reward of money or recognition.

I did not learn how to be a father from manuals. Whatever little I learnt about being a parent, I learnt by observing my children and letting them teach me. Similarly, I think our teachers could grow enormously by learning from their students.

We will then refrain from pushing our knowledge down their young minds, and begin the democratic process of being joint learners as we discover and understand our world. I believe a powerful force for empowerment is to have motivated teachers who are learners first, teachers second. Only then will we stop trying to mould children into our "adult" likenesses. Only then will we let them blossom.

Questions :

(1) What, according to the writer, is a powerful force for empowerment? (1)

(2) How did the writer learn his role as a father? (1)

(3) Why did Gandhiji say that the greatest lessons in life are learnt from children? (1)

(4) How, according to the writer, is a child different from an adult? (2)

(5) Who, according to you, is an ideal student? (2)

(6) Rewrite the following sentences in the ways instructed:

(i) The greatest lessons in life are learnt from children.
(Rewrite it beginning with "We...") (1)

(ii) We give up before we try.
(Add a question tag) (1)

(iii) Our blinkered and conditioned self prevents us from truly exploring without prejudice. (Rewrite it using Present Perfect Tense) (1)

(7) Find out from the extract the words which means : (1)

(i) unreasonable dislike or preference for a person, group or custom.

(ii) one who is very interested and works hard...

(8) Grammar : Do as directed : (4)

(i) Being good teacher he teaches in best way. (1)

(Insert the appropriate articles wherever necessary)

(i) The main drawback ... the area is its distance ... the railway station. (1)

(Fill in the blanks with proper prepositions)

(ii) "Brush your teeth and gargle with a mouthwash after every meal", said the dentist to Meena.

"I will make it my habit", said Meena. (2)

(Change into reported speech).

Q. 2 : (A) Read the following extract and answer the questions given below : (11) (15)

Noon ! It's modernising, popularising, enriching and globalising English.
