Lorenzo Snow Manual Lesson 14:

Teachings of Presidents of the Church: Lorenzo Snow, 2012 The First Presidency and the Quorum of the Twelve Apostles have established the Teachings of Presidents of the Church series to help you deepen your understanding of the restored gospel and draw closer to the Lord through the teachings of latter day prophets As the Church adds volumes to this series you will build a collection of gospel reference books for your home The volumes in this series are designed to be used for personal study and for Sunday instruction They can also help you prepare other lessons or talks and answer questions about Church doctrine This book features the teachings of President Lorenzo Snow who served as President of The Church of Jesus Christ of Latter day Saints from September 13 1898 to October 10 1901 Introducing Christianity to Mormons Eric Johnson, 2022-09-13 Share Jesus with Your LDS Friends and Family One of our greatest challenges as Christians is sharing the truth with those who believe they've already found it When witnessing to current or former members of The Church of Jesus Christ of Latter day Saints it's essential that you can compassionately delineate biblical teachings from Mormon doctrine while tactfully advocating for Christ For every believer who prays for loved ones in the LDS Church or loved ones who gave up on religion after leaving Mormonism Introducing Christianity to Mormons is the guidebook you need to witness to them Inside you'll find real life conversations that give you helpful ideas for what to say in your discussions contrast points between Mormonism and Christianity that illuminate God's truth biblical apologetics that allow you to minister to former LDS members wounded by their experience with the Church Get ready to present the case for Christianity with confidence and grace This book will empower you to share your faith and give you the language to do so effectively with people in the Mormon community **Church History Study Guide, Pt. 3** Randal S.
