

METHODOLOGICAL PRACTICES IN SOCIAL MOVEMENT RESEARCH

EDITED BY DONATELLA DELLA PORTA

Methodological Practices In Social Movement Research

Whitney K. Taylor, Sidney Tarrow

Methodological Practices In Social Movement Research:

Methodological Practices in Social Movement Research Donatella della Porta, 2014-09-25 Social movement studies have grown enormously in the last few decades spreading from sociology and political science to other fields of knowledge as varied as geography history anthropology psychology economics law and others With the growing interest in the field there has been also an increasing need for methodological guidance for empirical research This volume addresses this need by introducing the main methods of data collection and data analysis as they have been used in past research on social movements Unlike other volumes the book offers a practical how to approach and not simply a review of the methodological literature Each author writes on a method they are very familiar with having used it extensively in their own work And each chapter presents specific discussions on every stage of research from research design to data collection and the use of the information gathered Throughout research dilemmas and choices are presented illustrated and discussed The volume offers an essential point of references for anyone undertaking research on social movements

Methodological Practices in Social Movement Research Donatella Della Porta, 2014 Social movement studies have grown enormously in the last few decades spreading from sociology and political science to other fields of knowledge as varied as geography history anthropology psychology economics law and others With the growing interest in the field there has been also an increasing need for methodological guidance for empirical research This volume aims at addressing this need by introducing main methods of data collection and data analysis as they have been used in past research on social movements The book emphasises a practical approach presenting in each chapter specific discussions on the main steps of research using a certain method from research design to data collection and the use of information In doing so dilemmas and choices are presented and illustrated within chapters following the same systemic approach

Handbook of Research Methods and Applications for Social Movements Laurence Cox, Anna Szolucha, Alberto Arribas Lozano, Sutapa Chattopadhyay, 2024-01-18 This cutting edge and authoritative Handbook covers a broad spectrum of social movement research methodologies offering expert analysis and detailed accounts of the ways by which research can effectively be carried out on social movements and popular protests Addressing practice oriented questions this Handbook engages with both theoretical and political considerations unpacking the multidimensional nature of social movement research

Methodological Advances in Research on Social Movements, Conflict, and Change Thomas V. Maher, Eric W. Schoon, 2023-07-12 Now that we are almost a quarter of the way into the 21st century the field of sociology is in need of research like this which explores methods for studying contentious politics in the context of broader social changes to peacebuilding armed conflicts and social movements

Political Strategies and Social Movements in Latin America Leonidas Oikonomakis, 2018-07-12 This book investigates how social movements form their political strategies in their quest for social change and when they shift from one strategy to another why and how that happens The author creates a model

which distinguishes between two different roads to social change one that passes through the seizure of state power and one that avoids any relationship with the state Comparing the cases of two Latin American social movements the Zapatistas in Mexico and the Bolivian Cocaleros the volume argues that strategic choices are often decided upon through similar mechanisms Ideal for a scholarly and non specialist audience interested in Mexican and Bolivian politics revolutions and Latin American and social movement studies **Europeanisation of the Contemporary Far Right** Anita

Nissen,2022-03-03 Europeanisation of the Contemporary Far Right explores the role of transnational European identity in far right mobilisation strategies Focusing on the national members of two trans European far right coalitions Generation Identity and Fortress Europe the author explores the extent to which European far right extra parliamentary actors Europeanise their mobilisation Drawing on social movement literature the book argues that national extra parliamentary actors Europeanisation processes are influenced by their political and discursive opportunities and resources Focusing on the groups mobilisation during the refugee crisis 2015 2017 the analysis considers the groups frames collective action and coalition building in the period finding that the depth of the groups resources particularly affects their capacity to mobilise This book will be of interest to scholars students and civil society actors in fields related to the far right European studies social movements and migration Fighting Global Neo-Extractivism Jasper Finkeldey,2022-08-02 Fighting Global Neo

Extractivism Fossil Free Social Movements in South Africa analyzes social struggles over damaging new fossil fuel projects in the Global South with a focus on South Africa Africa s biggest fossil fuel emitter Fossil fuel extraction in South Africa has reached a new accelerated phase in which the fossil fuel frontier is moving beyond historical sacrifice zones into non traditional spaces such as conservation parks and middle class neighbourhoods and provoking fervent opposition from grassroots activists This book examines campaigns such as Frack Free South Africa and Save our iMfolozi Wilderness viewing them as struggles against neo extractivism driven by the state and industry Through a series of detailed case studies it highlights the shaping of mobilisation patterns by prior land use practices and the capacity to mobilize different social groups across race and class Developing the notion of the fossil fuel frontier as the material and political boundary that activists in South Africa and elsewhere in the world render visible this volume provides a theoretical framework to understanding global mobilization patterns This timely and impassioned book will appeal to students and researchers interested in a range of subjects including environmentalism social movements political ecology and development studies

Social Movements and Protest Politics Greg Martin,2023-12-22 This fully revised and updated edition of Social Movements and Protest Politics provides interdisciplinary perspectives on the sociology of protest movements It considers major theories and concepts which are presented in a clear accessible and engaging format The second edition contains new chapters on methods and ethics of social movement research and legal mobilisation protest policing and criminal justice activism including calls to abolish or defund police made at protests during the COVID 19 pandemic This edition introduces

readers to the concept of the post protest society wherein the right to protest is whittled away to near vanishing point and authorities have considerable legal recourse to ban protests and render the tactics of protest movements ineffective The book also looks at recent developments and novel social movements including Black Lives Matter Extinction Rebellion Gilets Jaunes MeToo and Hong Kong s Umbrella Movement as well as the rise of contemporary forms of populism in democratic societies The book presents specific chapters outlining the early origins of social movement studies and more recent theoretical and conceptual developments It considers key ideas from resource mobilisation theory the political process model and new social movement approaches It provides extensive commentary on the role of culture in social protest including visual images emotions storytelling music and sport religious movements geography and struggles over space media and movements and global activism Historical and contemporary case studies and examples from a variety of countries are provided throughout including the American civil rights movement Greenpeace Pussy Riot Indigenous peoples movements liberation theology Indignados Occupy Tea Party and Arab Spring Each chapter also contains illustrations and boxed case studies to demonstrate the issues under discussion Social Movements and Protest Politics will be an indispensable resource for undergraduate and postgraduate students in the social sciences and humanities wanting to be introduced to or extend their knowledge of the field The book will also prove useful to university teachers and academic researchers activists and practitioners interested in the study of social cultural and political protest

Social Movements in Latin America Ronaldo Munck, 2020-10-22 Social movements are a key feature of the political and social landscape of Latin America Ronaldo Munck explores their full range emanating from different sections of Latin American society and motivated by many different concerns including worker organizations peasant and land reform movements Indigenous groups women s movements and environmental groups Although the mosaic of interlocking and connected issues and rights presents a complex map of social concerns and potentially a fragmented political force these movements are likely to be at the centre of any future progressive politics in Latin America As a result they require careful understanding and a more nuanced theoretical approach Drawing on insights from Latin American approaches to social movement theory the book offers a distinctive contribution to social movement literature The text incorporates detailed case studies and a methodological appendix for students wishing to develop their own research agendas in the field

Innovative Methods in Media and Communication Research Sebastian Kubitschko, Anne Kaun, 2016-12-26 This collection reflects the need for suitable methods to answer emerging questions that result from the ever changing media environment As media technologies and infrastructures become inseparably interwoven with social constellations scholars from varying disciplines increasingly investigate their characteristics functioning relevance and impact facing new methodological challenges as well as opportunities Innovative Methods in Media and Communication Research engages with the substantial need to rethink established methods to research acute changes in the media environment The book gathers chapters dedicated to the multifacetedness and liveliness of emerging methods from

lifelogging and ethnography to digital methods and visualization while embedding them in the rich history of interdisciplinary empirical research Innovation here is a call for widening and rethinking research methods to stimulate a sophisticated debate on and exploration of contemporary methodological approaches for scholars at various levels of academic life Accompanied by introductory sections of prominent scholars the majority of empirical studies gathered in this volume are accomplished through early career scholars who strive to advance cutting edge and in parts even provocative approaches for the study of media and communication The book s four sections on Materiality Technology Experience and Visualization are introduced by Saskia Sassen Noortje Marres Sarah Pink and Lev Manovich *Social Movements* Paul Almeida,2019-02-26

Social Movements cleverly translates the art of collective action and mobilization by excluded groups to facilitate understanding social change from below Students learn the core components of social movements the theory and methods used to study them and the conditions under which they can lead to political and social transformation This fully class tested book is the first to be organized along the lines of the major subfields of social movement scholarship framing movement emergence recruitment and outcomes to provide comprehensive coverage in a single core text Features include use of real data collected in the U S and around the world the emphasis on student learning outcomes case studies that bring social movements to life examples of cultural repertoires used by movements flyers pamphlets event data on activist websites illustrations by activist musicians to mobilize a group topics such as immigrant rights transnational movement for climate justice Women s Marches Fight for 15 Occupy Wall Street Gun Violence Black Lives Matter and the mobilization of popular movements in the global South on issues of authoritarian rule and neoliberalism With this book students deepen their understanding of movement dynamics methods of investigation and dominant theoretical perspectives all while being challenged to consider their own place in relation to social movements *Theorizing Cultures of Political Violence in Times of Austerity* Joanna Rak,2018-06-13

After the multidimensional financial crisis of 2008 the member states of the Eurozone imposed a set of economic policies to save their economies Socially unpopular cuts contributed to the occurrence of violent movements that both opposed austerity policies and created animosity towards the politicians who implemented them Combining qualitative and quantitative comparative analyses from anti austerity movements in 14 Eurozone states from 2007 to 2015 Joanna Rak develops an original typology of patterns of a culture of political violence to explain why some anti austerity movements turned to violence and others did not despite having shared goals and political values She uncovers the very nature of the differences and similarities between cultures of political violence identifies their sources and determines their differing results Simultaneously she opens a discussion on the exploratory and explanatory utility of the category of a culture of political violence in the Social Sciences *Theorizing Cultures of Political Violence in Times of Austerity* casts new light on the scholarly debate on cultures of political violence and anti austerity violent behavior making it a compelling read for scholars of political sociology political behavior comparative politics European politics and sociology **Social**

Movements and the Politics of Debt Christoph Sorg, 2025-10-01 It would have been hard to miss the pivotal role debt has played for contentious politics in the last decades The North Atlantic Financial Crisis Global Recession and European Debt Crisis as well as the recent waves of protest that followed them have catapulted debt politics into the limelight of public debates Profiting from years of fieldwork and an extensive amount of empirical data Christoph Sorg traces recent contestations of debt from North Africa to Europe and the US In doing so he identifies the emergence of new transnational movement networks against the injustice of current debt politics which struggle for more social and democratic ways of organizing debt within and between societies

Law, Mobilization, and Social Movements Whitney K. Taylor, Sidney Tarrow, 2024-03-28 Legal and social movement scholars have long puzzled over the role of movements in moving being moved by and changing the meanings of the law But for decades these two strands of scholarship only dovetailed at their edges in the work of a few far seeing scholars The fields began to more productively merge before and after the turn of the century In this Element the authors take an interactive approach to this problem and sketch four mechanisms that seem promising in effecting a true fusion legal mobilization legal political opportunity structure social construction and movement countermovement interaction The Element also illustrates the workings and interactions of these four mechanisms from two examples of the authors work the campaign for same sex marriage in the United States and social constitutionalism in South Africa

Social Movement Studies in Europe Olivier Fillieule, Guya Accornero, 2016-03-01 Bringing together over forty established and emerging scholars this landmark volume is the first to comprehensively examine the evolution and current practice of social movement studies in a specifically European context While its first half offers comparative approaches to an array of significant issues and movements its second half assembles focused national studies that include most major European states Throughout these contributions are guided by a shared set of historical and social scientific questions with a particular emphasis on political sociology thus offering a bold and uncommonly unified survey that will be essential for scholars and students of European social movements

Popular Protest, Political Opportunities, and Change in Africa Edalina Rodrigues Sanches, 2022-02-15 This book offers a fresh analysis of third wave popular protests in Africa shedding light on the complex dynamics between political change and continuity in contemporary Africa The book argues that protests are simultaneously products and generators of change in that they are triggered by micro and macrosocial changes but they also have the capacity to transform the nature of politics By examining the triggers actors political opportunities resources and framing strategies the contributors shed light onto tangible e g policy implementation liberal reforms political alternation and intangible e g perceptions imagination awareness forms of change elicited by protests It reveals the relevant role of African protests as engines of democracy accountability and collective knowledge Bringing popular protests in authoritarian and democratic settings into discussion this book will be of interest to scholars of African politics democracy and protest movements

Social Movements, Memory and Media Lorenzo Zamponi, 2018-02-26 Cultural factors shape the

symbolic environment in which contentious politics take place Among these factors collective memories are particularly relevant they can help collective action by providing symbolic material from the past but at the same time they can constrain people's ability to mobilise by imposing proscriptions and prescriptions This book analyses the relationship between social movements and collective memories how do social movements participate in the building of public memory And how does public memory and in particular the media's representation of a contentious past influence strategic choices in contemporary movements To answer these questions the book draws its focus on the evolution of the representation of specific events in the Italian and Spanish student movements of the 1960s and 1970s Furthermore through qualitative interviews to contemporary student activists in both countries it investigates the role of past waves of contention in shaping the present through the publicly discussed image of the past

Rights and Social Justice in Research Kathryn McGarry, Ciara Bradley, Gloria Kirwan, 2024-01-30 This edited collection explores and illustrates the nature of research for social justice Drawing on a diverse range of social research projects it sets out what a rights based approach to research looks like why this framework matters and how we can translate them into operational research

The Hostile City of Love and Antibodies of Hate Ipek Demirsu, 2024-06-11 Demirsu offers an engaging comparative analysis of antagonistic social actors co existing in Verona a mid sized city in northeast Italy renowned as the fortress of the far right This rich multidimensional analysis explores the intersection of space identity and social movements by delving into the evolution of competing actors and their contending positions on identity and belonging as manifested through urban spaces While the city and its touristic heritage are promoted for a transnational identitarian network the protracted struggles of grassroots actors demonstrate democratic potentials for the bottom up realization of inclusive and pluralist possibilities in hostile settings The book traces the ways in which collective identity and collective action of social actors are shaped by their relationship to the space in which they operate with ramifications for places beyond

Radical Left Parties and National Identity in Spain, Italy and Portugal Jacopo Custodi, 2024-01-19 This book investigates how the radical left navigates the terrain of nationalism Traversing Spain Italy and Portugal this in depth study examines how radical left parties either embrace rebuff or reshape nationalistic sentiments From Spain's Podemos grappling with Franco's legacy Italy's radical left switching from anti fascist patriotism to cosmopolitanism to Portugal's revolutionary echoes in left leaning banal nationalism the book offers comprehensive insight into the often overlooked relationship between radical left politics and national identity Through discourse analysis interviews and participant observation it delves into the reasons behind certain political positions and how they manifest discursively A must read for those eager to decipher the crossroads of national identity and left wing politics in contemporary Europe

Methodological Practices In Social Movement Research Introduction

In the digital age, access to information has become easier than ever before. The ability to download Methodological Practices In Social Movement Research has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Methodological Practices In Social Movement Research has opened up a world of possibilities. Downloading Methodological Practices In Social Movement Research provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Methodological Practices In Social Movement Research has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Methodological Practices In Social Movement Research. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Methodological Practices In Social Movement Research. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Methodological Practices In Social Movement Research, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Methodological Practices In Social Movement Research has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Methodological Practices In Social Movement Research Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Methodological Practices In Social Movement Research is one of the best book in our library for free trial. We provide copy of Methodological Practices In Social Movement Research in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Methodological Practices In Social Movement Research. Where to download Methodological Practices In Social Movement Research online for free? Are you looking for Methodological Practices In Social Movement Research PDF? This is definitely going to save you time and cash in something you should think about.
