Nancy Madore,2008-03-01 Beloved both by her subjects and her devoted husband the emperor everything the empress did as ruler was faultless If she had any character flaw it was her obsessive need for attention which she expressed through her increasingly bold and revealing wardrobe When she makes her entrance at a function wearing nothing at all her guests so love her they suppress their shock and besiege her with requests for the name of her new tailor The emperor seeing how his beloved wife relishes all this attention devises a plan for an entertainment to fulfill her wildest unimagined exhibitionist fantasies **Grimm Legacies**

Jack Zipes,2014-11-23 In Grimm Legacies esteemed literary scholar Jack Zipes explores the legacy of the Brothers Grimm in Europe and North America from the nineteenth century to the present Zipes reveals how the Grimms came to play a pivotal and unusual role in the evolution of Western folklore and in the history of the most significant cultural genre in the world the fairy tale Folklorists Jacob and Wilhelm Grimm sought to discover and preserve a rich abundance of stories emanating from an oral tradition and encouraged friends colleagues and strangers to gather and share these tales As a result hundreds of thousands of wonderful folk and fairy tales poured into books

throughout Europe and have kept coming Zipes looks at the transformation of the Grimms tales into children s literature the Americanization of the tales the Grimm aspects of contemporary tales and the tales utopian impulses He shows that the Grimms were not the first scholars to turn their attention to folk tales but were vital in expanding readership and setting the high standards for folk tale collecting that continue through the current era Zipes concludes with a look at contemporary adaptations of the tales and raises questions about authenticity target audience and consumerism With erudition and verve Grimm Legacies examines the lasting universal influence of two brothers and their collected tales on today s storytelling world **The Publishers Weekly** ,2009 **The Erotic True Story of The Princess and The Frog** Cherie Wilde, Thorne moved toward the bed with predatory grace The candlelight played across the sculpted planes of his body casting dramatic shadows that emphasised every ridge of muscle every powerful line Lorelei s breath caught in her throat as he placed one knee on the silk sheets then the other the mattress dipping beneath his substantial weight His emerald eyes glowing with ancient hunger devoured the sight of her spread before him a royal feast awaiting his pleasure Wider he commanded his voice a low rumble that seemed to vibrate through the very air His large hands settled on her inner thighs applying gentle but irresistible pressure Let me see what you ve prepared for me Lorelei obeyed without hesitation spreading her legs until the cool night air kissed her most intimate place The Erotic True Story of The Princess and the Frog is a sizzling no holds barred retelling of the classic fairy tale rewritten for those who crave their fantasy with a whole lot more heat When the beautiful and curious Princess Lorelei slips into a secluded forest pool for a naked swim she encounters Thorne a talking frog with a dark secret and a sinfully deep voice Intrigued Lorelei brings him back to her palace where she learns the shocking truth Thorne transforms into an impossibly handsome man each sunset And once the sun goes down Lorelei discovers just how powerful his appetites are and how eager she is to surrender to them Thorne is everything Lorelei has ever fantasised about dominant passionate and devastatingly well endowed Their forbidden trysts soon spiral into decadent nights of erotic debauchery joined by a pair of Lorelei s insatiable ladies in waiting But not all is pleasure and play Lorelei s jealous stepsister has her eye on Thorne and she s willing to do anything to steal him away This is not the bedtime story you remember The Erotic True Story of The Princess and the Frog is raw wicked and utterly unfiltered From Cherie Wilde author of The Erotic Adventures of Snow White The Erotic True Story of Beauty and the Beast and Pussy in Boots comes her most decadent fairy tale yet You ll never look at frogs or princesses the same way again **Awakening Your Sexuality** Stephanie S Covington,2012-11-08 Gives women the tools to confront guilt become aware of body image and behavior patterns honor and accept the past and begin the liberating journey of sexual recovery and growth With candor and compassion Stephanie Covington reminds us that recovery is about living life fully and completely and sexual recovery is integral to the fullness of your life With comprehensive scope and individual focus she addresses the following questions How is women s sexuality shaped by a male based society How do dysfunctional families influence a woman s sexuality What did the sexual revolution
