Christmas list Starcasm **Student Voice in School Reform** Dana L. Mitra, 2014-03-14 High schools continue to be places that isolate alienate and disengage students But what would happen if students were viewed as part of the solution in schools rather than part of the problem This book examines the emergence of student voice at one high school in the San Francisco Bay area where educators went straight to the source and asked the students to help Struggling like many high schools with how to improve student outcomes educators at Whitman High School decided to invite students to participate in the reform process Dana L. Mitra describes the evolution of student voice at Whitman showing that the students enthusiastically created partnerships with teachers and administrators engaged in meaningful discussion about why so many failed or dropped out and partnered with teachers and principals to improve learning for themselves and their peers In documenting the difference that student voice made this book helps expand ideas of distributed leadership professional learning communities and collaboration The book also contributes much needed research on what student voice initiatives look like in practice and provides powerful evidence of ways in which young people can increase their sense of agency and their sense of belonging in school The Ghosts of Blue Bell Hill & other Road Ghosts Sean Tudor, 2017 A case centred study of Phantom Hitch Hikers

Phantom Jaywalkers in Folklore and Fact Tales of Phantom Hitch Hikers are found the world over But is there anything more to them than the staple of contemporary folklore they appear to be Cases like Blue Bell Hill suggest there is Here and in numerous other modern cases witnesses report vivid and terrifying encounters with solid looking figures that step into the paths of their vehicles These events show an affinity with the legendary Phantom Hitch Hiker suggesting that far from being mere vestiges of a superstitious folk tradition they may reflect a genuine but complex phenomenon that continues to manifest in modern times and settings and challenges our very notions of reality This book traces Blue Bell Hill's ghost from its roots in folklore to compelling fact with nearly 50 witness accounts attesting to it as an important modern example of haunting on record and arguably the foremost case of its kind in the world today Curiosity Thrilled the Cat Sofie Kelly, 2011-02-01
