**Heavenly Open Door** Jayne Bowman, LPC, LADC, Mary Claire Holloway, 2024-11-04 Congratulations You are about to peek into the lives where God moved supernaturally to bring healing to broken people in a sinful world Life is full of trouble In some cases the trials are manageable Other times life throws a curveball where it seems you are all alone and nothing

makes sense Such is the life for a lot of people all around the world in the year 2023 How can a person make sense of the scriptures when evil is magnified throughout the world The world is being told evil is good and good is evil This message is echoed throughout society And then there are the forgotten those who have endured unspeakable traumas at the hands of the powerful and rich Broken homes and destroyed lives are perpetrated on the masses by the elite few God always has the answer Troubled Sister Doris Wagnon,2022-06-10 Transformation of the Hearts Series has been filled with family stories being told secrets revealed and it seems there is nothing left uncovered However one more mystery lies hidden inside these pages and it s only a 3x5 picture of a five year old girl with Helena her father Erin Peterson and December 10 1954 written on the back After sixty years circumstances will arise that will lead to a discovery that came with a one time affair

**Sanatana Dharma and Plantation Hinduism (Second Edition Volume 2)** Ramesh Gampat,2020-01-06 Christian Missionaries worked hard to convert immigrants Their first order of business was to denigrate Hinduism designate Hindus as heathen and disparage their culture food and even attire Immigrants stubbornly resisted led by the tiny educated elite including Brhmaas whom we call Brahmins Conversion was a failure at least up to the end of the 19th century but picked up a self generating momentum thereafter The result is that the share of Hindus in Guyana s Indian population declined from 83.5 percent in 1880 to 62.8 percent in 2012 The largest portion of the contraction was lost to Christianity The loss notwithstanding even a casual observer would conclude that Guyanese Hindus at home and in the Diaspora are a very religious people Many of us do a jhandi or havan once annually others do the more elaborate and costlier yaj a where everyone is welcome once or twice in their lifetime Most of us do a short daily puja prayers offerings reading the stras and listening to bhajan in our homes An important but perhaps unintended way immigrants countered conversion to Christianity was an unplanned movement towards a synthesis that brought Hindus regardless of caste or sect under a unitary form of Hinduism The synthesis began around the 1870s and was completed by the 1930s to the 1950s Guyanese Hindus call the unified corpus of religious beliefs and practices that emerged from the synthesis Sanatana Dharma Ramesh Gampat labels it Plantation Hinduism in this path breaking book The book argues that the brand of Hinduism practiced is inconsistent with Sanatana Dharma called Vednta by the more philosophically inclined Plantation Hinduism features an extraordinary dependence upon purohits pandits which has anaesthetized the Hindu mind and render him unable to think question and inquire when it comes to Dharma Rituals and bhakti have been degraded and turned into desire motivated worship devats have been misconstrued as Brahman rather than as limited manifestation of the one non dual pure Consciousness belief in the multiplicity of gods encourages image worship and superstitions anchor Guyanese Hindus to tradition and mere belief Plantation Hinduism is little more than desire motivated actions dogmas and superstitions Absent is the idea that Sanatana Dharma is a spiritual science no less scientific than hard sciences such as physics and astronomy The central message of Vednta is the innate divinity of every person and the freedom to realize that divinity through anubhava direct personal
