Part 3

Read the sample paragraph. Then, identify how the paragraph could be improved. Write your suggestions in the space provided.

Following paragraph is an introduction paragraph. It has an expository topic about climate change.

Climate change is a serious problem that we all need to be aware of. It is caused by the burning of fossil fuels, which releases greenhouse gases into the atmosphere. These gases trap heat in the Earth's atmosphere, causing the planet to warm up. This warming is causing sea levels to rise, ice to melt, and weather to become more extreme. We need to take action now to reduce our carbon footprint and prevent further damage to our planet.

How can this student improve the paragraph?

Following paragraph is a conclusion paragraph. It has an expository topic about climate change.

As we have discussed, climate change is a serious problem that we all need to be aware of. It is caused by the burning of fossil fuels, which releases greenhouse gases into the atmosphere. These gases trap heat in the Earth's atmosphere, causing the planet to warm up. This warming is causing sea levels to rise, ice to melt, and weather to become more extreme. We need to take action now to reduce our carbon footprint and prevent further damage to our planet.

How can this student improve the paragraph?

Following paragraph is a body paragraph. It has an expository topic about climate change. The paragraph is missing a topic sentence and a concluding sentence. Write a topic sentence and a concluding sentence in the space provided.
